Canadian School of Tractioneering

AS YOU LEARN MORE YOU EARN MORE.

IF you want to gain first-hand knowledge of a Gas Engine (either stationary, portable or traction), an Automobile, an Auto-Truck, a Grain Separator, or even a Steam Engine, or if you already have had experience with any of these machines and wish to increase your knowledge, attend this school and study under a staff of experts.

We have secured the use of the Sawyer-Massey Co.'s repair shop at Winnipeg in which to hold our school. This shop is fully equipped with all tools and machinery necessary for repair work and is well heated and lighted.

Students will get actual practice in re-building and operating various types of machines. We will have a large number of machines on hand, including stationary, portable and traction engines of various types for the use of our students.

The course will be of a thoroughly practical nature, and, besides the actual shop work, lectures will be given daily by well known men who have a thorough practical and theoretical knowledge of the subjects dealt with. First course starts 1st December, second course on 4th January, and so on at intervals of three weeks. Write for full information to

A. C. CAMPBELL, Principal

Canadian School of Tractioneering

The House Without A Cold Spot

THE house that has a Perfection Smokeless Oil Heater needn't have a cold spot anywhere.

A Perfection is light and can be carried easily from room to room—anywhere

the extra heat is needed. For the "between seasons" of Fall and Spring the Perfection Smokeless Oil Heater gives just the heat you want.

PERFECTION SMOKELESS OIL HEATERS

Perfection heaters are solid, handsomely designed and smokeless and odorless. Look for the Triangle trademark.

Made in Canada
