Big Falling Off in Amount Derived From Benefit Entertainment at the Theatre Français.

Not more than half the amount that was realized by the entertainment held at the Theatre Français or the benefit of the Firemen's Penion and Benefit Society was realized his year from the same source. While the total has not been made up as yet, the amount that will go to the funds this year, after all expiences are paid, will be between \$10,000 and \$12,000. Last year the fund benefitted from the same source to the extent of \$21,000.

extent of \$21,000.

One of the reasons given for the utiling off this year by the fire fighters is that times are not so good and copie had not as much to devote to harity. But one of the chief reasons for the large amount realized ist year was that the entertainment time right after four members of the trigade lost their lives while battling ith a blaze in Ste. Cunegonde and exople took more interest of the

Increase Your Output With Small Investment

Your "good will" is what yields you the greatest returns. Why pay first cost prices for tools and machinery when used equipment will do as well? cost prices for tools and machinery when used equipment will do as well? Keep your investment down and your returns will be higher. The Want Ad Way will put you in touch with men who must sell what you want to buy—or want to make. The merchant advertises to sell goods—and he succeeds. So can you—but all you require is the expenditure of a few pennies—and a plainly worded ad. If you don't know how best to write it, let us help you and save words for you. But get busy on it NOW! Don't wait until the thing you want is gone. You will find a Little Want ad in (Suggestions for You to Adopt) this paper one of the best investments you ever made. To be prosperous—
