GOSSIP.
Messrs. Snell & Lyons, Snelgrove, Ont., breeders of Berkshire hogs, in ordering a change in their advertisement, report a better demand than for several years, proving that the Berkshire is still popular with the farmers, both for main-

taining a pure-bred herd and for crossing with other breeds to produce a profitable class of hogs and the best type for the market. As announced in their advertisement, they have young boars and sows of various ages for sale. Parties requiring stock in this line will do well to note their advertisement and correspond with them.
