Grand Council Meetings.

We have received the following resolution from Branch 28, Ottawa, in reference to Grand Council meetings. There has already been much discussion on this subject, the purpose being to devise means whereby the expenses could be curtailed. The proposition of Branch 28, it seems to us, approaches more closely to a solution of the question than anything we have yet seen. We may add that there is a fund of good common sense in the suggestion that any member of a branch in good standing shall be eligible as representative to Grand Council meetings:

Moved by Rev. M. J. Whelan, seconded by Brother J. A. J. McKenna, and resolved—That in the opinion of Branch 28 the interests of the C. M. B. A. would be served by amending the Constitution so as to pro-

1. That any member in good standing shall be eligible as representative of his branch to Grand Council meetings;
2. That the expenses of delegates or representatives now assumed by the Grand Council shall be paid by the branches which That any member in good standing

Council shall be paid by the branches which they represent;

3. That any branch-may elect to be represented at Grand Council meetings by the delegate of any other branch;

That the delegate or representative so chosen shall be entitled to one vote for each branch he represents, which vote he shall east in accordance with the written instructions received from each such branch, no delegate to hold more than five proxy-votes;

That branches electing to be represented by such substitute delegate shall contribute pro rata to the said delegate's expenses;

And further that, in the opinion of Branch 28, all assessment notices should be issued on

25, an assessment nonces snown to issued on postal cards and printed in English only for English branches and in French only for French branches. JAMES SLATER, Rec. Sec.

St. Helen's Circle (No. 2) and Davitt Branch (No. 11) of the Emerald Beneficial Association held a successful ice cream social and concert on Monday, the 20th, in Mallon's hall, Toronto, the hall being so crowded that a large number were obliged to content themselves with standing room. Amongst the visitors were the resident Grand officers and several officers and members of the city circles and branches. A very pleasing programme of vocal and instrumental music and recitation was rendered by the various artists. The Grand President gave a short address. The piano used was kindly supplied by the well known tirm offleintzman & Co. During intermission cake and ice cream were supplied the visitors by the ladies of St. Helen's circle. The introduction of these entertainments have been productive of much good, and its a great means of making known one advantages of our association. On Wednesday, the 22nd inst., All Saints' church, Strathroy, was the scene of a quiet but very pretty wedding, when Miss Sarah Henderson, daughter of Mr. James M. Henderson of Adelaide, was married to Mr. Cornelius Sullivan of Metcalfe. Rev. A. McKeon, P. P., performed the ceremony in the presence of a large number of friends of the contracting parties, both of whom are well known and highly respected in the community. Miss Lucy Hart of Strathroy acted as bridesmaid, and the groom was supported by his brother, Mr. John Sullivan. During the nuptial Mass which followed the choir rendered some of their choicest music, and then the bridal party returned to the residence of the bride's tather, where a small number of guests sat down to the wedding breakfast. The happy couple left on the afternoon train for Port Huron, where they will take the boat for a trip up the lakes. The bride was the recipient of many useful and handsome presents.

MRS. JAMES BIBBY, FOWLER.

There departed this life near Fowler, Michigan, on Thursday, August 16, Jane O'Reilly, wife of James Bibby, aged fiftynine years. She was born in the township of Percy, near Hastings, when that section was a dense forest. She was married by Monsignor Farrelly, of Belleville, in February, 1854, and moved to Michigan about ten years ago, having resided near Fowler ever since. She was a practical Catholic, a good wife, mother and neighbor. She was visited almost daily by the parish priest, and was well prepared for her last end, which was peaceful. Nine out of her ten children, her two brothers from Canada and other dear friends, were offering up the prayers of our holy Church for a departing soul when she was called to receive her eternal reward. Her four sons and two brothers acted as pall-bearers at her funeral, on Saturday the 13th August.

Rev. Father Hewelt, of Fowler, spoke of her life as being an example that he would like others to imitate. May the Lord have mercy on her soul!

THE ADDRESS.

Rev. and Beloved Father — It has long been our earnest desire to express to you our appreciation of your zeal and generous labors on behalf of our sotiality. The occasion of your temporary absence from our midst afforcs as an opportunity of expressing our good wishes not only for a safe and pleasant journey, but also for your future happiness and prosperity. When we reflect on the pious solicitude and faithfulness with which you have labored for our spiritual advancement as well as for many other interests of religion, we feel that we have been singularly favored in being placed in charge of so kind a director.

The happiest hours of our lives are those we have spent around the shrine of Our Holy Mother. Be assured dear Reverend Father, we shall not recall them without feelings of the deepest gratitude for the pious counsels it has been our privilege to receive on these occasions. We shall not fail to petition our dear mother to reward you for your faithful services in her honor and obtain for you many years of this life to continue the good works you have promoted.

Our best wishes shall attend you on your journey, which, we trust, shall prove both pleasant and beneficial.

We hambly ask your acceptance of our small gift in token of our deep esteem and respect.

Signed in behalf of the members of the Sodality of the Blessed Virgin.

Helen Savage, Prefect; Margie Gilmartin, and Ass't; Mary Halon, 1st Ass't.; Jennie Cahill, Secretary; Mary Savage, Treas.

Rev. Father Feeney thanked the young ladies for their handsome gift and assured them that he had already a proof of their good wishes in the willingness with which they had always followed the teachings and directions of their spiritual Father.

He exhorted them never to forget the privilege they enjoyed of being Children of Mary and to continue to honor her by their works and example. The pleasant event was brought to a close by the members again wishing their Father din

of Experience of Mr. Frank A. Ferguson, of Merrickville — Attacked by Malarial Fever, Followed by Decline — Two Physicians Failed to Help Him — The Means of Cure Discovered by Taking the Advice of a Friend.

From the Smith's Falls Record.

Mr. Frank A. Ferguson, partner of Mr. Richard Smith in the marble business at Merrickville, is well known to most residents of that vicinity. He went through an illness that nearly brought him to death's door, and in an interesting chat with a reporter of the Record told of the means by which his remarkable recovery was brought about. "While engaged in my business as marble cutter at Kingston," said Mr. Ferguson, "I was taken ill in May, 1893, with malarial fever. After the fever was broken I continued to have a bad cough, followed by vomiting and excruciating pains in the stomach. I was under the treatment of two different physiciaus but their medicine did me no good, and I continued to grow weaker and weaker, and it seemed as if I had gone into a decline. About the middle of September I was strongly urged by a friend to give Dr. William's Pink Pills at trial. I had not much hope that they would help me, but from the time I commenced the Pink Pills I found myself beginning to improve, the vomiting ceased and finally left me alto gether. I grew stronger each day, until now I weigh one hundred and eighty pounds, At the time I was taken ill I weighed one hundred and minety seven pounds, and when I began using Dr. Williams Pink Pills illness had reduced me to one hundred and twenty three pounds, so that you will see how much the Pink Pills I was done for me. I never felt better in my life than I do now, although I occasionally take a pill yet, and an never without a part of a box in my pocket. I believe that had I not been induced to take Pink Pills I would be in my grave to-day, and I am equally convinced that there is no other medicine can equal them as a blood builder and restorer of shattered systems. Five boxes cured me when the skill of two of the ablest doctors in Ontario failed, and when I look back to the middle of last September and remember that I was not able to stand on my feet, I consider the change brought about by Pink Pills strike at the root of the disease, driving From the Smith's Falls Record.
