

Domolco Molasses is more wholesome than clover honey

It finds favor in the household—on the table and for cooking—ten times to the one of honey. Domolco Molasses is made from the finest quality Barbadoes sugar cane and is put through our own special process, which makes it as pure as pure refined clover honey and much more wholesome.

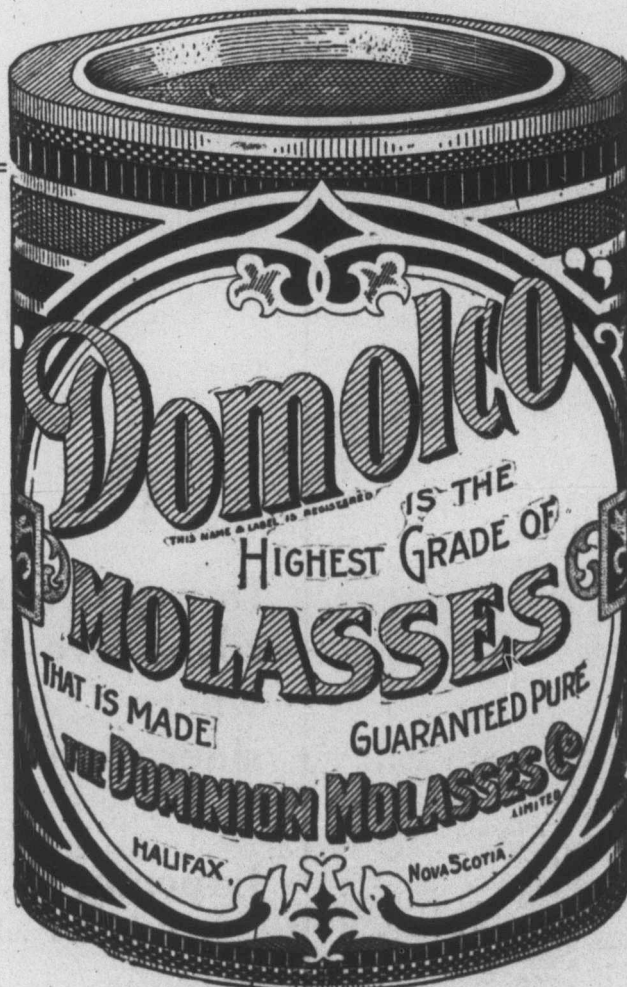

Our extensive advertising has placed Domolco in thousands of Canadian homes and built up a steady, increasing demand.

Why not take advantage of the popularity of Domolco and increase your revenue?
