ST. PAUL, Minn., July 22.—Archbishop John Ireland, in an interview with a representative of the Associated Press today, reviewed at some length the progress of the negotiations conducted between Judge Taft and the Vatican, and took to task certain Catholic organizations that had assumed to question the fairness of the administration toward their co-religionists. The archbishop said: "The news from Rome is quite satisfactory and I am sure quite correct. Private advices coming to me from the most reliable sources confirm in all respects the dispatches given by the Associated Press of the Sovereign Pontiff and other Roman authorities."

A representative of The Miner called upon Bernard Macdonald yesterday afternoon at the offices of the Rossland Great Western to ascertain the accuracy or otherwise of the report, which had gained considerable circulation, to the effect that he was appointed general manager of the Le Rol.

Mr. Macdonald replied emphatically that the report was not true, saying that he would surely know if it were.

Thus another street rumor vanishes into thin air.

WINNIPEG SUMMER INDUSTRIAL EXPOSITION

WINNIPEG, Man., July 21.—Winnipeg is crowded with visitors for the summer industrial exhibition. In spite of the increased accommodations of most of the hotels they are full today with exhibition visitors. This year's crowd, it is thought, will be a record one. Every train that arrives brings in large crowds, even at this early date. The fair was formally opened this afternoon by His Honor Lieutenant-Governor Sir Daniel McMillan.

This evening Sir Daniel McMillan was called to Victoria, B. C., having received word of the death of his brother-in-law, B. Gordon.

BOMBARDMENT GOING ON BUT NO DAMAGE

WASHINGTON, D. C., July 21.—The state department has received a cablegram from Consul General Cudger at Panama, dated yesterday, as follows: "Fighting at long range five miles out between Padilla and Cuitlan and two government vessels. No damage done." This is the engagement in Panama harbor referred to in Saturday's news dispatches.

The navy department also received advices respecting this engagement in a dispatch from Commander Potter of the gunboat Ranger. His announcement that he has forbidden a bombardment will, it is believed, cause the insurgents to abandon further attempts against Panama by water. Commander Potter's dispatch is as follows: "PANAMA, July 21.—A slight engagement has taken place between insurgents and government vessels in Panama bay. No damage. I have notified the insurgent vessels to cease bombardment of the city or anchorage cannot be permitted."

The Ranger was dispatched to David to report upon the revolutionary movements in that vicinity.

BOTH FIGHTERS SAY THEY WILL WIN

SAN FRANCISCO, Cal., July 21.—A brisk run through Golden Gate Park to the beach and a spirited plunge and a rub down at the terminal training quarters filled in a busy morning for Robert Fitzsimmons. The Cornishman ran 11 miles with his trainers, trying them all and showing himself to be in splendid condition.

"The stories as to my leg muscles being bound," said Fitz, "are absurd and false. I never felt better and stronger than now and I shall win the fight."

Fitz retired early and will confine himself tomorrow to even lighter exercise.

Jeffries spent a day practically in idleness, exercising just enough to hold his own.

"I will win the fight before it has run its length," said he to a press representative.

Since the arrival of Fitzsimmons yesterday afternoon the betting has been stimulated, but the champion remains the favorite at 10 to 4 1-2, with Fitzsimmons seemingly unable to cut down the odds. Much money, however, is being posted.

THE CASE OF JOSEPH GENELLE ONCE MORE

VICTORIA, B. C., July 22.—Joseph Genelle was again arrested today on a warrant charging him with having counseled and procured the burning of the steamer Glenora at Dawson in March last for the purpose of defrauding the Queen Insurance Company. An effort was made to get his release through habeas corpus proceedings, on the ground that the warrant was faulty and that it would be necessary to take him through United States territory to get him to Dawson. The chief justice held the warrant to be good and counsel for the crown stated that permission had been obtained from the United States government to take him through United States territory. He leaves for Dawson on Friday in charge of a sergeant of the Northwest mounted police.

As this is the dull season in the trade it is expected that it will be some days before the various interests get together. About nine different firms are engaged in the strike.

UNITED MINE WORKERS

President Mitchell Leaves at Once For Wilkesbarre, Where He Will Reopen the Strike Headquarters and Remain Until It Is Settled

INDIANAPOLIS, Ind., July 22.—President Mitchell, of the United Mine Workers, expects to leave Indianapolis tomorrow for Wilkesbarre, where he will possibly reopen the strike headquarters Thursday or Friday. His intention, it is understood, is to remain in the anthracite region until the strike is settled. It is understood that Mr. Mitchell and his associates are convinced that they can win the anthracite strike if they can hold out for ten weeks longer.

INDIANAPOLIS, Ind., July 22.—President Mitchell will leave for Chicago tomorrow afternoon. He will stay in that city a day and then go direct to Wilkesbarre to resume active management of the strike.

Several large and small contributions for the strike fund were received today. District No. 13 (Iowa) sent \$500. Mr. Mitchell says the national officers of the organization are considering accepting the offer of the British Trades Union, through their federation, of financial aid.

Indianapolis unions met tonight and resolved to assess members at least one per cent per week on their earnings for the anthracite strikers. This will amount to \$2000 per week.

NEWFOUNDLAND AND DOMINION OF CANADA

ST. JOHNS, Nfld., July 22.—Wide-spread interest is developing here over the speech delivered in London last week by Sir Robert Bond, the premier of Newfoundland, in which he declared that the confederation of Newfoundland with the Dominion of Canada was mainly a question of terms from the latter.

The press and public are discussing the matter eagerly, and the feeling is generally expressed that Prime Minister Bond's speech makes the matter as practical one, and is likely to result in action being taken to advance the matter at the next session of the legislature.

HALIFAX, N. S., July 22.—The troopship Winnifredian, with the Canadian contingent from South Africa on board, entered the harbor at 3:30 this morning. The ship had a fine run from Durban, the passage being less than 24 days. There was not a serious case of sickness on board and all are in excellent health and spirits.

Lieutenant Colonel Evans is in command, Major Merritt second in command and Major Cameron, Jr., third in command. The men all speak well of the officers. Lieutenant Carruthers, the hero of Hart's River, has little or nothing to say and expressed wonder at the fuss the Canadian papers are making over his little exploit. The troops will entrain for the West at 2 o'clock this afternoon. No reception is to be held, at the request of Colonel Evans.

CHEERING WAS HEARTY.

HALIFAX, N. S., July 22.—The troopship Winnifredian docked at the deep water terminus at 3 o'clock, five thousand people watching the men disembark. The cheering was hearty.
