INDOOR BASEBALL

The Dormitory Kolts have won nine straight games by the defeat of the Brant Theatre ball team last night. The Brants spring a big surprise on the Kolts and had a formidable line up against the "Dormats". Both teams played nice ball and the game was one of the best that has been staged on the local gym for some considerable time. Ernie Moute, the manager of the Brant team, had his men on their toes all the time and they sure worked some dazzling plays at times which bewildered the Kolts and kept them guessing. The Kolts turned out a new pitcher in Geo Ryley, who twirled nice ball for two innings and was then relieved by Harry Fleming, who finished the game. Johnston, pitching for the Brants, had the Kolts striking at most anything, but was unable to keep the hits scattered. The game attracted a large number of supporters of both teams and the excitement ran high all through the game. The umpires worked hard, and while their decisions did not meet with the approval of everyone, they were working under a terrible strain and tried to do their best under the exciting circumstances. The Kolts are a hard team to beat on their home grounds and have a strong line-up which compares very favorably with last year's team. The final score was 6 to 5 in the Kolts favor, and the game was only decided on a close play in the innings which was disputed strenuously. The following were the batteries. Brant Theatre—Johnston and Henderson. Dormitory Kolts—Ryley, Fleming and Robbins. Umpires—Waddington and Woolmans.

Crossed Eyes

can usually be relieved and often permanently cured simply by the wearing of correctly prescribed glasses.

The correction of eye defects of this kind is a matter that requires the services of a highly-skilled Optometrist. Under no circumstances should a matter of this kind be entrusted to one of questionable ability.

If your child has crossed eyes we will be glad to advise you. If glasses will not relieve the difficulty we will tell you so frankly.
