Synopsis of Canadian North-West Land Regulations.

THE sole head of a family, or an uncle over 18 years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at the Dominion Lands Agency or sub-Agency for the district. Entry by proxy may be made at any Dominion Lands Agency (but not sub-Agency) on certain conditions.

Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within one mile of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity.

In certain districts a homesteader in good standing may pre-empt a quarter section alongside his homestead. Price \$3.00 per acre.

Duties—Six months residence in each of three years after earning homestead patent; also 50 acres extra cultivation. Pre-emption patent may be obtained as soon as homestead patent, on certain conditions.

Settler who has exhausted his homestead right may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties—Must reside six months out of three years, cultivate 50 acres and erect a house worth \$300.

The act of cultivation is subject to reduction in case of rough, scrubby or toxy land. Live stock may be substituted for cultivation under certain conditions.

W. W. COREY, C. M. G., Deputy of the Minister of the Interior

WEDDING BELLS

Sanford-Power

Another pretty June wedding was that of Miss Vera Muriel, daughter of George G. Power, of Kingston, and Everett Sanford of Weston which took place on Wednesday, June 14th, at the residence of the bride's father. Promptly at high noon, as the strains of Mendelssohn's wedding march were rendered by Miss Marjorie Bartheaux, the contracting parties, with Mrs. Carl Sanford as matron of honor and her husband supporting the groom, took their places under an arch of evergreen and sweet summer flowers, a floral bell of lilies of the valley being a noticeable attraction. The Rev. Mr. Robbins, pastor of the Berwick Baptist Church, of which they are members, performed the solemn and impressive ceremony. The bride wore a pretty gown of ivory satin and lace and veil fastened with orange blossoms. She carried a bouquet of carnations and sweet peas with streamers of valley lilies. The matron of honor was gowned in white silk with bouquet of pink roses. After congratulations and social greetings among the many relatives and friends gathered for the event, a most enjoyable collation was served: a pleasant hour passed all too soon. The bride, in a going-away gown of Belgian blue silk and hat to match, left with her husband, amid showers of rice and confetti, by auto on a trip through the Annapolis Valley.

Many valuable gifts from friends abroad and at home testified in a slight degree to the popularity of the happy young couple. The groom's gift to his bride was an amethyst necklace, to the matron of honor and pianist, each a pretty pearl brooch; to the best man a pair of gold cuff links; upon their return Mr. and Mrs. Sanford will make their home in Weston. Many good wishes follow them wherever their lot may be cast. —Register.

NOVA SCOTIA CREAMERIES.

The co-operative creameries in Nova Scotia are again showing decided increase in business over former years. It is estimated that the make up to the present time is about 35 p. c. ahead of this time last year.

Pastures generally over the Province are good, with possibly some exceptions in Cape Breton where the season so far has been very dry.

One new creamery has been opened this year at Margaree Forks, C. B. The make there for May was very satisfactory. Another new creamery will open at Lower South River, Antigonish County, shortly.

Creamery picnics are being held over the Province as follows:

July 1st, Cumberland Co-operative Creamery Co., Ltd., at River Hebert.

July 4th, LaHave Creamery Co., Ltd., at Bridgewater.

July 6th, Milburn Creamery Co., Ltd., at Malignant Cove.

July 7th, Scotsburn Creamery Co., Ltd., at Scotsburn.

July 11th, Margaree Creamery Forks.

These picnics will be addressed by Mr. Geo. H. Barr, Chief of the Dairy Division, and Mr. Hervey Mitchell, Maritime Representative of the Dairy Division, Ottawa, and also by Prof. Cumming and other members of the Nova Scotia Department of Agriculture.

A picnic will be held by the Intercolonial Creamery Co. at Lower South River on July 1st, to be addressed by Mr. D. W. Murray, President of the Nova Scotia Dairyman's Association, Prof. Trueman, from Truro.

The Cost of Growing Apples.

Under good orchard management where there are 200 or more trees in the orchard, it costs Maine growers approximately \$1 per barrel to produce apples when the production is two barrels per tree; \$1.25 per barrel when the production is one and a half barrels per tree; \$1.50 per barrel when the production is one barrel per tree; and \$2 per barrel when the production is less.

Cost of Bad Roads to the Farmer is Staggering.

Farmers have begun to figure the matter of roads a little differently than in former years. When the good-roads movement was in its infancy they used to ask themselves, "How much will good roads cost me?" Thanks to the intelligent propaganda of the daily and farm papers, as well as other agencies, farmers are now asking themselves, "How much are bad roads costing me?"

According to Government experts, the cost of hauling a ton of farm produce a mile varies from seventeen cents, in localities where fairly hard gravel roads exist, to thirty-five cents per ton in parts of the country where the roads are in bad condition. On the other hand, in those European countries where hard roads prevail, the cost is as low as nine cents per ton per mile. The United States Department of Agriculture has estimated that the total haulage expense to American farmers for a year is approximately \$500,000,000. And every dollar comes from the farmer's pocket, for he is the one great producer who cannot add the haulage expense to his wares, for the prices he gets are on a delivered basis.

If every farmer would take pencil and paper, figure the amount in tons of the produce and stock he markets in a year, multiply it by the number of miles he must haul it to market, multiply the total by twenty-five, which is about the average haulage cost per ton per mile, and then consider that he could save nearly half of this amount every year if he had an improved road all the way to his market, he would become an earnest good-roads worker.—Maritime Farmer.

OBITUARY

Henry H. Theakston.

Halifax, June 21.—The death occurred at his residence, at Wolfville yesterday, of Henry H. Theakston, after a long illness. Mr. Theakston was a son of Major Theakston, Halifax. He was for upwards of fifteen years, manager of Davidson's grocery at Rockingham, but about four years ago, owing to ill-health, he removed to Wolfville, where he had since resided. Mr. Theakston was a man of sterling character, and was highly esteemed by a host of friends. He is survived by his wife and one daughter, father, six brothers and one sister to whom much sympathy will be extended in their bereavement. The funeral will take place from the residence of his father, Major Theakston, 111 Agricola St., tomorrow, June 22, at 3 o'clock.

DIED

At Somerset, on Monday June 19th, of pneumonia, Mrs. Arabella E. Calder, aged 67 years, daughter of the late Mr. Joseph A. Killam.
