fer pard said the mill pond was too far away, And the night altogether too cold:
Were it I, I would far rather skate in the day.'
But she said, "Tut, tut, honey! don't scold.'
And a skating she went.

Her bustle was rubber, inflated of course, And fashioned particularly neat, And it turned out to be of her safety the source. For when she sat down on the mili pond with force. She bounded right back to her feet.

All ye Farmersville maidens, with bustles so gay
A moral in this you will find:
When you skate on the mill pond with logs in
the way,
You are safe with a bustle behind, that week must reach us not later than

The postoffice safe at Norwood, Ont. was blown open with dynamite on unruly that lectures at the University have been suspended and Cossacks constantly patrol the streets to pre-

The German Kreus Zeitung says England will support the Triple Alliance by a naval demonstration should any of the allies become involved in war.

The London Standard correspondent says the growth in the German Crown Prince's throat is undoubtedly of a cancerous nature, but it is so small that the doctors are hopeful it will be a long time, perhaps years, before it will impede his breathing.

The Ghost Committee of the American Society for Physical Research, Thil. Wiltse has a No. 40 Sultana and a good aced Abaska coal stove, as good as new for sale heap. Having put in a furnace he has no further need for them, and they will be sold at a gradin. targoin.

The directors of the Kingston Business College are pushing men. They have enlarged the college and added three more teachers to the staff. It is now the largest and best equipped commercial school in Canada.

Ye Olde Folkes Concert to be given in the Ve Olde Folkes Concert to be given in the ligh School on the evening of the 20th inst. Tomlass to be the event of the season. We could advise all who desire to hear it to poure tickets early, as the room will seat only bout 230. See programmes.
