WEAK WOMEN

A Letter of Interest to Many in Athens

After a very long and trying experience, Mrs W. C. Parker of Jackson, Michigan, writes a friend as follows: "I have been sick and all run down for more than a year. I took all kinds of medicine that was recommended by friends. I was in such a nervous condition that I could not bear the slightest noise, and so weak that I could hardly walk up stairs. A friend advised me to try the cod liver preparation, Vinol, and I did so with wonderful results. My weakness and nervousness are all gone, I can walk any distance, and have gained rapidly in strength and flesh. I am writing you of my experience in order that you may advise anyone whom you know is suffering as I was what to take." This is only additional testimony in regard to the value of our cod liver

preparation, Vinol, which we have so unhesitatingly recommended to the people of Athens for the last few years. Vinol is not a patent medicine, but a cod liver preparation made by a scientific extractive and concentrating process from fresh cods' livers, combining with peptonate of iron, which is a needful constituent for the blood, all of the medicinal, healing and bodybuilding elements of cod liver oil, but no oil.

We ask every person in Athens who is run down, nervous, debilitated and every aged, feeble person to try Vinol on our guarantee to return money if it fails to give satisfaction, J. P. Lamb & Son, Druggists, Athens, Ont.

SERVICES HONORED

During the closing exercises of the Methodist Sunday-school on Sabbath last, Miss Klyne read and presented, in behalf of the school, the following address to Mrs Massey in recognition of her faithful and efficient services as teacher:—

Athens, Ont., July 26, 1908
 Mrs N. L. Massey
 Dear Friend,—On this, the last Sabbath of your stay in Athens, we the teachers and pupils of the Methodist Sunday School, desire to express to you the regret we all feel at the departure of yourself and children.

During your ten years' residence in Athens your constant, willing service as a teacher in this school and your wise council in all matters pertaining to its welfare have been a source of inspirations and strength to those associated with you. Not only our own young people have profited by your teaching, but many students from distant homes have been welcomed and instructed by you—made to feel that there is a universality in the Christian religion that ensures to the stranger a church home wherever his lot may be cast.

We desire to testify also to the readiness with which your children have all ways helped by their time and talents any social undertaking of the school. We have appreciated their services and have recognized their life and conduct to be such as made for the betterment of their young associates.

By the public spirit and zeal in good works which you and Mr. Massey have ever manifested, you have become closely identified with all phases of the life of this community, and the regret we here express is felt throughout the whole village.

Our best wishes will go with you to your distant home, and as we make the journey of life in circles—some large, some small—ever tending to return to the place from which we started, we shall hope, in God's providence, to meet you all again, and assure you of a warm welcome from Athens Methodist Sunday School.

Signed in behalf of the School.
 T. S. Kendrick, Supt.
 Mrs I. C. Alguire, Ass't. Supt.

A KIND FAREWELL

On the eve of her departure from Marney, Man., for the home of her mother in Athens, Miss Lillie Niblock was presented with the following address and token:—

Marney, July 10, 1908.

Dear Miss Niblock,—A few of your many Marney friends among the church-going people desire to express in a tangible manner their appreciation of the assistance you have always rendered the choir while making your home in this community. You have used the musical talent which God has given you for our benefit and pleasure, and as a slight token of our sincere gratitude we desire your acceptance of this suit case, which you may carry with you in your journeyings as a constant reminder that you have left many warm friends behind you here. The accompanying purse we hope will provide you with a few luxuries on your approaching journey. Should you ever return to the West you will find a warm welcome awaiting you at Marney, and wherever you may go may God's richest blessing ever attend you.

Signed in behalf of your many friends.
 Mrs. D. N. Morrison.
