Asking that the fees for high school
pupils should be uniform, regardless of
the residence of the pupil, was the
request of a deputation that waited on
Dr. Pyne, Minister of Education. At
present, it was represented, pupils
attending high school who are resi-
dents of the high school district pay
100 per cent of the regular fees, while
those from the country pay 85 per
cent, and those from adjacent counties
and elsewhere throughout the province
pay only 65 per cent. That these pay-
ments should be rendered equal in all
cases was the request made.

graduated from the School of Phar-
macy, Toronto in 1900. He carried
on a successful drug business in Delta

the change and passed away quietly
on Saturday, leaving a widow and two
little girls to mourn his loss.

JASPER PARK

Pleasure seekers and tourists are
impatient for the opening of travel to
Jasper Park, B. C. During the past
summer a number of parties travelled
to the end of steel and then trailed
away into this newly discovered won-
derland of the West. They all came
out with enthusiastic reports of the
grandeur of the scenery along the
line of the Grand Trunk Pacific.

Mr. Frank B. Kirkbride of 65 Wall
Street, New York, has just written to
the Grand Trunk telling of a trip he
had taken in the Athabaska country
last fall. Mr. Kirkbride says in part:—

"The party met the outfit at mile 62
(Hinton) and from there rode to mile
110, stopping two nights on the way.
The horses swam the Athabaska at
mile 110, and the journey across
Shovel Pass to lake Maline was made
over the excellent trail which had been
built by the Otto Brothers for the
Park authorities in the spring.

From the time of leaving Hinton
the scenery grew steadily more inter-
esting and beautiful. Maligne Lake was
the climax of the trip. It is unique in
the succession of constantly changing
views—snow peaks, glaciers, and wood-
ed foreground—which opens up as one
rounds one promontory after another
through the length of it's eighteen
miles. The party spent ten days camp-
ing at three different points on the lake,
exploring valleys and climbing moun-
tain ridges, each of which disclosed
new beauties.

On our return we took the train at
the end of steel, then mile 99. We
are glad of this opportunity to express
our appreciation of the thoughtfulness
and courtesy of all the Grand Trunk
Pacific officials on the construction
train.

"The trip was undertaken on the
recommendation of the Otto Brothers,
who had previously guided some mem-
bers of the party in the region near
Field, B.C. Their enthusiastic report
of the new country to which they had
moved were more than justified. The
party consisted of Miss E.B. Kirkbride
and Miss M.B. Kirkbride of Philadel-
phia, Miss Marion M. Tabor, Miss
Josephine Tabor, Miss Elsie Powell,
Mr. Alfred Killner, Mr. Edward In-
gram and myself, all of New York".
This was the first "tourist party" to
visit Maligne lake, the "Pearl of the
West."

Inspector Houston thinks that Corn-
wall high school with 245 pupils and
eight teachers ought to have another
teacher. The ratio, he says, is above
the normal.

The first case taken up at the as-
sises in Brockville last week was that
of Norris Westlake vs. the James
Smart Co., for damages for injuries
sustained to plaintiff's left hand on
August 15, 1910, through having it
come in contact with a rip-saw. Neg-
ligence on the part of the defendant
was the basis of the action. Westlake
was awarded \$1,000 and costs.

**FOOD FOR
THOUGHT**

Who pays the enormous expense of
those show-rooms in our towns and
cities? Is it not the people who buy
pianos there?

Why buy from them when you can
get just as good, and in many cases
better, from me, delivered Free from
the factory to your door? This is
one of the reasons I can sell you a
piano for less money than you pay at
any show-room.

All kinds of instruments taken in
exchange. We defy competition for
the money in all grades. Get my
prices before purchasing, for they are
certainly very low for strictly high
grade pianos.

Also agent for Raymond, New Well
iams, and New Home Sewing Ma-
chines.
