Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by a constitutional remedy. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; Many cases of deafness are caused by Catarrh, which is inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. E. J. Distinction in Clothes
THERE is a distinctive quality created by good clothes that means much to a man. "Don't judge a man by the coat he wears," is a saying that evidences the natural appraisal that springs up naturally within us. A bankrupt business man bought a new suit with his last few dollars because the moral effect of good clothes is a great factor in civilized life. He knew it—and to-day, he is a successful man. For years and years, Kehoe's clothes have been the standard for business men, school teachers, clergymen, doctors, and others.

SUPPORT UNION GOVERNMENT
Liberals and Conservatives are United The People Must Unite to **Win the War**
A Laurier-Bourassa Victory means deserting our boys in the trenches for over a year, throwing up our hands and quitting! Don't shout "Kamerad" under the Referendum proposal. Come out and fight for Union Government.
Make No Mistake
IF LAURIER WINS:
(1) Canada will send no more reinforcements to the front, which practically means quitting the war and placing the country in the same class as Russia. (2) The French-Canadians who have shirked their duty in this war will be the dominating force in the Government of the country.
ARE THE ENGLISH-SPEAKING PEOPLE PREPARED TO STAND FOR THAT?
It is because the French-Canadians have not done their duty that Conscription had to be resorted to. The French-Canadians have made it perfectly clear that they do not like the war and are against Canada participating in it further. Some of them even go to the length of saying that the soldiers should be brought back from the front. The Nationalists are demanding that the men who have been enrolled under the Military Service Act be disbanded and sent back to their homes. To secure the Nationalist support Laurier-Liberal candidates in Quebec have signed the following pledge:—
"I, the undersigned, candidate in the Federal Elections, undertake by these presents, if I am elected, to demand the immediate suspension of the Military Service Act, 1917, and of all its effects until Canadian electors have pronounced by way of plebiscite; and should the majority of the electors condemn it, that it be considered as null from its origin and that in consequence all conscripts be disbanded."
"I also undertake to vote against any Government which should refuse to adopt the above enunciated policy."
