Confederation going to end in a "Fizzle!"

CANADIAN GOVERNMENT SHAKING TO PIECES.

HON. GEORGE BROWN RESIGNED

CHARLOTTETOWN, Dec. 21, 1865.
(By Telegraph from Ottawa.)
To Hon. Mr. Forc.

Mr. Brown has resigned for causes mentioned in my letter of this date. The policy of the Government remains unchanged. Mr. Brown continues to sustain the Ministry in all their course respecting Confederation and his party continues represented by three members of the Government. The change is a personal one merely, which we all regret.

A. T. GALT.

FROM THE STATES.

New York, Dec. 15.

Great activity prevails at both the Head Quarters of the Fenians in this City. Anathemas from each party denouncing the other continue to be issued. A Fortress Monroe correspondent says Jeff. Davis is turning his attention more than ever to the affairs of his son. He has recently been visited by his old spiritual adviser, the Pastor of St. Paul's Church, Richmond, who passed an entire day at his prison, in religious reading and conversation, and administered to him the sacrament.

NEW YORK, Dec. 21.

A tremendous gale is raging here. It commenced about 6 o'clock this morning. The ferry boats in the river are making long passages, and many vessels in the harbor are dragging their anchors. A schooner was totally wrecked at Sandy Hook this morning, crew saved. The French brig Prosper is ashore there also. An unknown schooner was totally wrecked this morning at Long Branch. Capt. wife and three of the crew were lost; two of the crew were saved. Another schooner is also ashore two miles from Long Branch, and is full of water. No one on board.

CHARLOTTETOWN, Dec. 22.

A Washington despatch says that while the President was preparing his message, the French Minister emphatically stated that the Emperor would regret any expression in the message which would make it impossible to recede from his Mexican schemes without humiliation. The Minister also stated Mr. Seward that the French troops would be withdrawn from Mexico in a little while, and asked for patience on the part of our Government. It is reported Logan is satisfied there would be no difficulty, and that the Republic of Mexico will soon be peacefully reinstated. Senates of the "Alabama," was arrested on the 16th inst., in Montgomery, Alabama, by orders from Washington, and on way North—Gold 146 1/2. Flour dull and heavy. Provisions, beef and pork, steady.

A third Fenian trial, that of Michael Moore, pipe maker, resulted in conviction—sentenced to ten (10) years penal servitude. Channel fleet is ordered to winter in Ireland.

Jamaica affair continued to attract attention. Daily News says Government have written Governor Eyre, requiring full explanation of Jamaica affair, and has resolved to institute an independent and searching inquiry, the form of which will be made known in a few days.

Medical Notices.

HOLLOWAY'S OINTMENT.—No enjoyment without Health.—How sad it is to see the wealthy in worldly estate laid up by disease, and rendered incapable of traversing their vast possessions. An ulcer on the leg, a sprained ankle, a gouty toe, a rheumatic muscle or a swollen limb, will not long prevent progression if the affected part be well fomented with warm water, and afterwards liberally rubbed with Holloway's cooling, healing and deterrive Ointment. There are few persons so situated that they cannot procure this invaluable remedy, with the clear instructions for using it which are folded round each pot, few will fail to cure their complaints, however severe or inveterate they may appear, or however successfully they may have resisted other treatment.
Many, Many Years.—Mrs. Winslow's Soothing Syrup, for Children Teething, has stood the test of many years, and never known to fail. It regulates the stomach and bowels, cures wind colic and griping in the bowels, softens the gums, and always all pain. Perfectly safe in all cases, as millions of mothers can testify.
Coughs, Hoarseness, and various Throat Affections to which Public Speakers, Military Officers, and Singers are liable, relieved by Brown's Bronchial Troches. Having a direct influence on the affected parts, they allay Pulmonary Irritation.

On Friday last, Mrs. Charles Palmer, of a son.
