CHILDREN
TEETHING
MRS. WINSLOW,
 An experienced Nurse and Female Physician, presents to the
 attention of mothers, her
Soothing Syrup,
 For Children Teething.
 which greatly facilitates the process of teething, by softening
 the gums, reducing all inflammation—will allay all pain and
 spasmodic actions, and is
SURE TO REGULATE THE BOWELS.
 Depend upon it, mothers, it will give rest to yourself, and
 RELIEF AND HEALTH TO YOUR INFANTS.
 We have put up and sold this article for over thirty years,
 and can say with confidence and truth of it, which we have
 never been able to say of any other medicine—never has it
 failed, in a single instance, to effect a cure, when timely used.
 Never did we know of a instance of disintegration by any
 one who used it. On the contrary, all are delighted with
 its operations, and speak in terms of highest commendation
 of its singular effects and medicinal virtues. It works in this
 manner:—It not only relieves the child from pain but invigorates the
 stomach and bowels, corrects acidity, and gives tone and
 energy to the whole system. It will almost instantly re-
 lieve
GRIPING IN THE BOWELS, AND

 and over-come convulsions, which, if not speedily remedied,
 end in death. We believe it the best and surest remedy in the
 world, in all cases of Dysentery and Diarrhea in children,
 when it arises from teething, or from any other
 cause. We would say to every mother who has a child out-
 teething from any of the foregoing complaints—do not let your
 prejudices, or the professions of others, stand between you
 and the relief that will be sure—yes, absolutely
 sure—to follow the use of this medicine, if timely used. Full
 directions for using will accompany each bottle. None
 genuine unless the face—name or CURTIS'S PERKINS, New
 York, is on the outside wrapper.
 Sold by druggists throughout the world.
 Principal Office, No. 48 Dey Street, New York.
 Price, only 25 cents per Bottle.
