The indition of the track reflects great credit apon Trackmaster Tapley.

Temperature.

The thermometer collapsed entirely and went into winter quarters on the 19th at Jacksonville corner, Carleton Co. The Postmaster at that place, after thawing out the of June fully 9,000 barrels. He has invented instrument declared the temperature to be 26 a patent shipping crate, and intends, if such ourse be favorable, to send large quantities to in the shade. England next season.

Accident

Building at Floranceville. James Brooker while working on the Mun-start Stream, parish of Peel, Carleton Co., on Mr. Charles Kearney, of Florenceville, has nearly finished his new dwelling house. It is Saturday the 13th, met with a very painful ac cident. It seems that while chopping in company with another man. George Holten, he felled a white birch, which became lodged in the forks of another of the same species. The

Dr. Hagerman has made preparations for force of the fall was sufficient to raise the lower and of the tree off its butt, whereupon it immediately shot towards t e ground with Florencevills may be behind the times, but if great rapidity, pinning the leg of Mr. Brooker i she is, it is only to push them on some.

to a log, which had just been cut, jamming it into a shapeless mass. Mr. Holten carried him home on his back, an arduous and painful operation, as can well be imagined. Drs. Bruce and White, after examination, decided that amputation was necessary, and the mangled limb was cut off below the knee. He is doing as well as can be expected. The leg Jammed was not the one that was clawed by a bear some years previous, as was mentioned in the Telegraph. Brouker was 45 years old, and had a family of 10 children.
