# **BIG EATERS GET**

Take Salts at First Sign of. Bladde Irritation or Backache.

The American man and woman must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hursis or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach or you have rheumatism when the weather is bad get from your pharmacist about four ounces of Jad Salts; take a teaspoon ful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescen ithia-water beverage, and belongs

EASES, CATARRH, ASTHMA, RECTAL TROUBLES, PILES, FISTULA AND BLOOD CONDITIONS The knowledge gained from many years' experience in treating diseases just like yours is of much bene to you and assures the ailing man of prompt relief. When a man knows that he is again feeling well-tha ne is rid of his ailment—he feels that a heavy load has been lifted from his shoulders, I give every pati ent the benefit of the knowledge acquired through the long experience of a graduated, licensed and register ed specialist, in order to bring about the most satisfactory results in the shortest possible time.

NERVE EXHAUSTION

CONDITION AFFECTING MANY MEN-THE GREAT AM-ERICAN DISEASE - IT IS BROUGHT ON BY OUR MAN-NER OF LIVING-OUR WORRY AND HURRY - AMERI-CANS EXHAUST MORE NERVOUS ENERGY THAN ANY OTHER RACE OF PEOPLE.

There are a great many men who need treatment for their nervous system. These men do not know what is the reason they don't feel right-why they can't work like they used to-why they tire so easily and why they are irritable, nervous, despondent, weak, pale and lack ambition. These conditions require the expert knowledge and treatment of a specialist who has had many years' experience in just such ailments. A specialist learns by experience to know just the right treatment at the right time so that the patient can be dismissed at the earliest possible time: Mer. affected with nervous exhausion have no endurance-no ambition everything they attempt is an effort. Life to them appears as a long, gloomy future. Their appetite is poor and variable—they become irritable, cross and discouraged. They have pains and aches in various parts of the body and there is often indigestion and pains in the stomach. Sleepless, wakeful and restless nights fol-

RHEUMATIC AILMENTS SCIATICA AND OTHER FORMS OF RHEUMATISM, LUMBA-GO, PAINS IN BACK, SWELLING, ACHING, PAINFUL CONDITIONS IN ANY PART OF THE BODY-INFLAMED AND SWOLLEN JOINTS OF LEGS AND ARMS - MANY OTHER SYMPTOMS.

Hundreds of men are suffering with some form of Rheumatism. Many of these men go from day to day suffering untold agonies thinking they cannot be cured. They have tried liniments, rubbing, massage, salts and other treatments without experiencing any relief, and they are now going through life thinking they are martyrs to that burden called Rheumatism. If these men could only know how easy it is to get rid of many rheumatic conditions I know they would not suffer another single day. Then all sufferers of rheumatism would be strong and healthy if they could get rid of the condition. Rheu matic patients are nearly all strong and robust before being attached by this ailment, and therefore it is so hard for the man to understand why he should suffer the agonies of such a condition. When a man gets rid of such a condition he feels that a heavy bur den has been lifted from his life, and he starts right out to make up for lost time both in money and pleasure. When a man comes to my office suffering with the above condition he is given a most careful examination, and he is given treatment that he feels is giving him great benefit.
