The Conquest of Cole.

(From Punch.)

'Twas the battle of Plassey
Immortalised Clive.
By the march on Coomassie
Shall Wolseley survive.
With that feat Wolseley's name
Shall stand coupled for aye;
So did Wellesley win fame
On the field of Assaye.

Abyssinia's campaign
Covered Napier with glory;
And Ashantee's will gain
Wolseley like place in story.
And King Coffee Calcalli
A conquest won o'er,
With the thrashing will tally
Of King Theodore.

Save in this, that King Coffee
Is fain to cave in;
By the prudence whereof he
May whole save his skin.
Let him eat humble pie,
Never mind the plain crust;
With a heap of gold buy
Peace—and down with the dust.

May that gold-dust repay
The cost of its taking;
The expenses defray,
Of costly war making,
For the sake of repute
Which asked intervention;
And with no other fruit
To expect, that's worth mention.

ODDS AND ENDS.

When is a lover like a tailor?—When he presses his suit.

A miser's first rule in arithmetic is addition, but his heirs generally begin with division.

A Western man has found an apple with a pebble in its centre. We have often seen cherries and raisins with stones in them.

Leigh Hunt was asked by a lady if he would not venture on an orange. "Madame," he said, "I should be happy to do so, but I am afraid I should tumble off."

An absent-minded passenger in an omnibus gave his pocket-book to the conductor and put the fare in his pocket. The pocket-book contained nothing.

In Cork, the crier of the court, anxious to disperse the crowd around the bar, exclaimed—"All ye blackguards that isn't lawyers quit the court."

THOUGHTFUL.—A girl, hearing her mistress tell her husband to bring "Dombey and son" with him when he come home to dinner, set two extra plates for the expected guests.

Her hand was first to reach and drag
The bottle from the shelf—
"It is your curse, dear John," she said,
And drank it up herself.

'Well, Bridget, if I engage you, I shall want you to stay at home whenever I shall wish to go out.' 'Well, ma'am, I have no objections, providin' you do the same when I wish to go out.'

"Take a wing!" gushed a pompous upstart, extending his bent arm to a sensible young lady, at the close of the concert. "Not of a gander," she quietly replied, and walked home with her mother.

Andrew Jackson was accused of bad spelling, but John Randolph defended him by declaring that "a man must be a fool who could not spell words more ways than one."

A distinguished writer says:—"There is but one passage in the Bible where the girls are commanded to kiss the men, and that is the golden rule, 'Whatsoever ye would that men would do unto you, do ye even so unto them.'"

A genius was describing the utility of an India rubber ship which he was inventing, when an old salt exclaimed: "No, no; it will never do; an India rubber ship would rub out all the lines of latitude and longitude, to say nothing of the equator."

An ambitious young lady was talking very loudly about her favorite authors, when a literary chap asked her if she liked Lamb. With a look of ineffable disgust she answered that she cared very little about what she ate, compared with knowledge.

A Frenchman met an English soldier with a Waterloo medal, and cast reproaches on the English Government for bestowing such a trifle, remarking that it would scarcely cost three francs—"That may be true," replied the hero, "but then it cost the French Government a Napoleon."

Two neighbors had a protracted suit at law concerning a spring which they both claimed. The Judge became weary with the case and said, "what is the use of making such a fuss about a little water?" "Your Honor will see the use of it," replied one of the lawyers, "when I inform you that the parties in the suit are both milkmen."

A seedy person applied to a wealthy person for help, and received the small sum of five cents. The giver remarked as he handed him the pittance, "Take it, you are welcome; our ears are always open to the distressed." "That may be," replied the recipient, "but never before in my life have I seen so small an opening for such large ears."

PAT'S WELCOME TO THE REAPING MACHINE.

Och, I'm sick of the sickle, Molly dear,
As stoopin' so long and so low,
And it's little sorrow it gives me
To give the ould bother the go,
And when another harvest comes,
By the powers I'd like to see,
The money or anything else that'ud make
A reaping machine of me.

A reformed gambler was about to die, and sent for a minister, when the following conversation occurred; "Pastor, do you think I am near death?" "I regret to say I believe you are." "Do you think, since I am converted, I will go to heaven?" "I do." "Do you expect to go there, too?" "Yes, I believe I will." "Well, we'll be angels, won't we, and have wings to fly with?" "Yes, I'm sure we'll be like angels." "Well then," said the dying man, "I'll bet you five dollars I will beat you flying."

The queerest object in nature is a Spanish beggar, for these beggars beg on horseback; and it is an odd thing to see a man riding up to a poor foot-passenger and asking alms. A gentleman in Valparaiso being accosted by one of these mounted beggars, replied, "Why, sir, you come to beg of me who have to go on foot, while you ride on horseback!" "Very true, sir," said the beggar, "and I have the more need to beg, as I have to support my horse as well as myself."

TO OBTAIN A PLATEFUL.—A shrewd preacher, after an eloquent charity sermon, said to his hearers, "I am afraid, from the sympathy displayed in your countenances, that some of you may give too much, I caution you, therefore, that you should be just before you are generous; and wish you to understand that I desire no one who cannot pay his debts to put anything in the plate." The collection was a rare one.

A SUFFICIENT REASON.—An old clergyman, who had got a strong-lunged helper, observed that one of his hearers was becoming rather irregular in his attendance at church. Of course, the divine felt it his duty to visit the backslider, and he accordingly went to his house; but the gudeman was not in. He inquired of the wife why John was so seldom at church now. "Oh, indeed, minister," she replied, without the slightest hesitation, "that young man ye've gotten roars sae loud that John canna sleep sae comfortable as he did when ye used to preach yersel' sae peaceably."

An Irish laborer, who was in the employment of an English gentleman residing in Ireland, was on one occasion about going to a fair, held annually at a neighbouring village, when his master endeavored to dissuade him from his design. 'You always,' said he, come back with a broken head; now stay at home to-day, Phelim, and I'll give you five shillings.' 'I'm for ever and all obliged to your honor,' replied Phelim; 'but does it stand to reason,' added he, flourishing his shillelagh over his head, 'does it stand to reason that I'd take five shillings, for the great batin' I'm to get to-day?'

A Cincinnati despatch says that the large distilleries admit that their business has decreased fully seventy-five per cent.

TO THE PUBLIC OF

British North America.

IN consequence of frauds that have been practised upon you by two or three individuals (who for a time took the name of the "New York Chemical Company") making and selling something which they call "Holloway's Pills and Ointment," and which, for a season, were freely sold in many parts of the British Provinces as my genuine Pills and Ointment, I have for some time past considered it my duty to caution the public, through the medium of the press, against buying these spurious articles.

Judgments have been obtained against this Bankrupt Crew; in one case by a Mr. Cassard, who, when about to levy, at the latter end of October last, found the name of the Chemical Company had been painted out and that of Samuel Vose substituted.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses named:—

Messrs. Avery, Brown & Co., Halifax, N. S.
Messrs. Forsyth & Co., Halifax, N. S.
Messrs. T. B. Barker & Sons, St. John, N. B.
Mr. T. Des Brisay, Charlotte Town, P. E. I.
Messrs. Langley & Co., Victoria, B. C.
Messrs. Moore & Co., Victoria, B. C.
Dr. John Pallen, Chatham, N. B.
Messrs. Munro & Co., Montreal.
Msars. J. Winer & Co., Hamilton, Ont.
Mr. H. J. Rose, Toronto.
Mr. A. Chipman Smith, St. John, N. B.
Mr. John Bond, Goderich, Ont.
Messrs. Elliot & Co., Toronto.
Mr. J. Chaloner, St. John, N. B.
Messrs. Hannington Bros., St. John, N.B.
Mr. R. S. Priddy, Windsor, Ont.
Mrs. Orpen, Morden, N. S.
Mr. George C. Hunt, Jun., Fr[illegible]ton, N. B.
Mr. W. H. Thompson, Harbor Grace, N. F.
Mr. J. M. Wiley, Fredericton, N. B.
Messrs. W. & D. Yule, Montreal.

My Pills and Ointment are neither manufactured nor sold in any part of the United States. Each Pot and Box bears the British Government Stamp, with the words, "Holloway's Pills and Ointment, London," engraved thereon.

The medicines are sold at the lowest wholesale prices, in quantities of not less less than £20 worth—viz, 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

THOMAS HOLLOWAY.

N. B.—Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here—

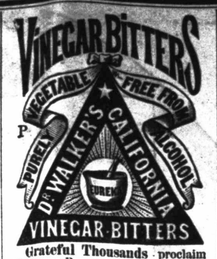
VINEGAR BITTERS



Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus forearmed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, nor vermifuges, no anthelmintics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

At the Provincial Exhibition, Hamilton, and Central Exhibition, Guelph,

This grand success, in addition to last year's record of a

Silver Medal,
3 Diplomas,
and 12 First Prizes,

Prove that our Instruments in the opinion of competent judges are incomparably superior to all others.

Sole Proprietors and Manufacturers of the

ORGANETTE,

Containing Scribner's Patent Qualifying Tubes, acknowledged by all to be the greatest improvement yet introduced. Their superiority is conceded by other makers from the fact that at Guelph they withdrew from competition, thus acknowledging their inability to compete with them.

Every instrument fully warranted for five years. Send for catalogue containing fifty different styles of instruments.
