## NOTICE!

Complying with widely expressed public opinion as voiced by the Press and individual citizens. We, the undersigned members of the Municipal Board, deem it our duty to offer our services to the City for the next two years.

While making this announcement as a body, we wish it to be clearly understood that we are standing as individuals, and desire to express our readiness as individuals to work with any Mayor or with any other Councillors that the Citizens may see fit to elect.

In respect to the Charter which has been submitted to the Legislature, we beg to state that, while firmly of opinion that its adoption will enable the City to be more effectively governed than at present, we have always recognized that some of its provisions are debatable. We have supposed that the Legislature and the Citizens would carefully consider such sections and would arrive at some decision in respect to them which would be generally satisfactory.

We can point to some satisfaction, if not with pride, to the improvements which have been made during our short term of office, and it is in the hope that we may be able to complete and perfect the work begun, and to institute further improvements, that we now signify our willingness to serve the City for another term of two years.

CHARLES P. AYRE for Councillor.
