

## Flower Service

In commemoration of the Faithful Departed.

About fifteen hundred people assembled in the Church of England Cemetery yesterday afternoon to attend the Flower Service in commemoration of the faithful departed. Shortly after 2 p.m. crowds were seen making their way towards God's Acre carrying bouquets of beautiful flowers which were placed on the graves of loved ones. The distributing of the emblems of purity was not alone confined to the resting place of deceased relatives, for many an unknown grave received the kind attention of the liberal-hearted visitors. At 3 o'clock the large congregation met at the southeast corner of the cemetery where the service took place. The officiating clergymen were Rev. Canon Smith, Rev. Dr. Jones, Rev. H. Upthill and Rev. H. L. Pike; Rev. W. E. R. Cracknell, the Church Warden of the city churches and the Cemetery Committee were also present. Rev. Mr. Pike read the opening prayers and assisted in the reading of Psalm 90: "For thou has been our refuge." The concluding prayers commencing with "The souls of the righteous are in the hands of God," and the Collect were said by the Rev. Mr. Upthill. A most inspiring and consoling address was given by the Rev. Dr. Jones, who spoke of the resurrection of the dead and in very touching words referred to the solemn duty we owe the departed. The C. E. Band was present and furnished the music for the hymns which were sung in a whole-hearted manner by the large congregation. Just before the Benediction which was pronounced by the Rev. Canon Smith, the Rev. Mr. Upthill in a brief address thanked the members of the C. E. B. for their services. Rev. Dr. Jones followed with an eloquent address and the large congregation for attending, and on behalf of the Cemetery Committee he showed where the Cemetery Chapel and grounds were painted and repaired, but much more needed to be done, but unfortunately the committee lacked the necessary financial help to proceed with the work. The collection plates were placed at the gates and a large sum was realized.
