T. J. DAY now calls attention to his splendid stock of BOOKS for the Christmas Trade. Church Services, Prayer Books, all sizes of Bibles, The Poets, Books of Adventure, Biography, Toy Books, Juvenile Books, Photograph and Autograph Albums, some in elegant binding, bought expressly for the Christmas Trade. Also, a beautiful stock of Fine Fancy Goods, in Paper Machie and Wood, some splendid Writing Desks, and Work Boxes, Jewel Boxes, Card Cases, Portmonies, Boxes of Puzzles, Boxes of Games, A B C Boxes, Vases, Toilet Sets. The stock AT DAY'S BOOKSTORE for this season of Presents, is very full. Purchasers should call early and examine the Goods and Prices.
Town and County News. The Y. M. C. A. in Elora has been re-organized. On Saturday last bird fanciers enjoyed a cooking man at Collin's Bay, 7 miles from Kingston, for \$1,000 sale. Sports were present from Elora, Brockville, and those of Toronto won the prize. We wonder the authorities do not put a stop to such inhuman work.
St. John the Evangelist's Day. FRIDAY, the 27th, was St. John the Evangelist's Day—a day generally observed by Masons throughout the world as the annual festival of the Masonic Fraternity. The officers of Speed Lodge, Guelph, recently elected, were duly installed. They are as follows:— W. Bro. W. D. Hepburn, W.M. R. W. A. B. Peirce, P.M. " A. B. McIntyre, S.W. " W. Bell, T. " J. Mimmack, S. " J. Inglis, S.D. " W. Nicolls, J.D. " C. Chase, D.O. " C. Pettiford, Stewards. " J. Roche, " S. Moffat, L.G. " G. Smith, T. After the ceremony of installation, the brethren adjourned to the refreshment room, and spent a most pleasant evening together.
Guelph Lodge. The election and installation of the officers of this Lodge takes place on St. John the Baptist's Day, on Friday, the 27th inst. The work of the Lodge was over, celebrated the anniversary by a social supper in the Queen's Hotel. Over thirty sat down to a splendid repast, got up in the most excellent style. Bro. Hugh Walker, W.M. of the Lodge, occupied the chair, the vice chairs being occupied by Bro. A. C. Chadwick, S.W., and Bro. Harvey, J.W. The "Queen and the Craft" was the first toast, and was honoured with the favour and loyalty which always distinguishes Masons. "Visiting Brothers—Past Masters" was next given, and responded to in a suitable manner by W. Bro. Dunn and Sharpe. The Government, Dominion and Local, came next, and was responded to by Bro. Higginbotham, M.P. "The Visiting Brethren" called forth an appropriate reply from Bro. McKay, from the United States. "The Sister Speed Lodge" was duly acknowledged by W. Bro. Sharpe, and the "Manufacturing and Commercial Interests" were done justice to by Bro. McLagan, Myers and Jackson. The "Y. M. C. A." was responded to by Bro. Chadwick. "The Senior and Junior Wardens of Guelph Lodge" by the respective officers, Bro. Chadwick and Harvey, and "The Legal Profession" by Bro. Chadwick. Nor were the absent members forgotten, but they were coupled with the sentiment—especially Bro. Chance. During the evening excellent songs were sung by several of the brethren, who spent a most social and enjoyable reunion, and who reluctantly brought the meeting to a close at a seasonable hour with the usual sentiment, "Happy to meet, sorry to part, and happy to meet again."
Local and Other Items. At the nominations in London last Monday evening, the twenty-one Aldermen were returned by acclamation. A poll only being demanded in one Ward. On Christmas Day in exposed places in the city of Quebec, at 7 a.m., the thermometer stood 37°, and at noon 21° below zero. MISS EMILY FAITHFUL has been somewhat unfortunate in her visit to Chicago. Last week she left her travelling bag, some lectures, the portrait of Queen Victoria set in gold, &c., in that city, and which is supposed to have fallen from the carriage in which she was riding. DEPART OF A RAILWAY BONUS.—The vote on the bonus to the Hamilton and North Western Railway was taken in the County of Peel on Friday, resulting in a majority of about 400 against the bonus. A MAN named Absolom B. Cline has been committed by the Hamilton Police Magistrate, for having committed perjury while giving evidence in a suit lately tried at the County Court in that city. THE days ago the barque Sarah McLeod, of St. John, N. B., left Pictou with cargo for the West Indies, but the crew mutinied, and when the vessel reached Arichat the offenders were sent to jail. A new crew was then shipped, and subsequently the vessel was wrecked and became a total loss. MOHAMMED once said:—"When a man finds him inquire what he has left behind him; angels inquire what he has sent before him." Some one, feeling that actions are better than words, has said:—"We hear of the acts of the Apostles, but never of their resolutions." An Irish paper advertises the following:—"Lost by a gentleman a white terrier dog except the head, which is black." "Sambo, what you get dat watch you wore to meetin' last Sunday?" "How you knew dat I had watch?" "Because I see de chain hang ob de pocket in front." "Go away nigger! s'pose you see a halter round my neck, you tink dar is a hoise inside ob me!" For some unexplained reason, the Government has suspended the imposition of the 10 per cent. tax on tea and coffee until the 1st of January. JOHN H. HOGAN, merchant tailor, of Hamilton, has absconded, leaving a long list of unsettled claims, to the chagrin of the claimants.
BIBLES.—ANDERSON, as usual, at this season of the year, has in stock a large assortment of Cheap Bibles, Family and Pew Bibles, Pocket Bibles, Few Testaments, Pocket Testaments, Prayer Books, Hymn Books, Church Services in Elegant and Ivory Bindings, and Psalm Books for the best Pocket. All the above have been imported direct, and customers are to have a benefit during this week. Don't wait until the end of the week, as the best will be sure to be gone.
Opening of No. 5. (Paisley Block) New School House. The handsome and commodious structure which the ratepayers in S. S. No. 5 have completed, for the purpose of the accommodation of the large number of pupils within their bounds, and a full and particular account—in connection with the laying of the foundation stone in the beginning of the year—has been given in our issue of Friday evening by a social entertainment and tea meeting. Before, however, proceeding to this part of our subject, we would pause for a moment to congratulate the Town and County generally, on the energy, spirit and taste developed in the erection of this model School House, and its remarkable adaptability to the purpose required, whether as regards light, ventilation, and the comfort of the pupils generally, and withal at the moderate cost of some \$1,600. Tea was served in the old School House, adjacent to the new one, and no one acquainted with the generous hospitality of the Paisley Block residents can fail to understand that these were all that the most fastidious could desire, whether as regards quantity or quality. After the wants of the visitors were ably and abundantly administered to by the very attractive young ladies with which this famed neighbourhood abounds, they adjourned to the new building, where the Rev. Mr. Kilcour, Inspector of Schools for this Division of the County, surrounded by a considerable number of friends of the Section from Guelph, occupied the chair, the duties of which he discharged with characteristic geniality and ability. After a short introductory address addressed from the chairman on the happy auspices under which they were assembled and the expression of his hope that the pupils would thoroughly realize all the advantages their new School House particularly intended to denote, he then called on Mr. Thomas Leilaw, the chairman of the board of trustees, and who in the course of the evening was repeatedly specially alluded to as having exercised an untiring and faithful supervision over the progress of the new building from inception to completion, and who gave the following admirable and eloquent ADDRESS AND PRAYERS. We are met to-night for the purpose of opening this building, erected as a school room, in connection with our Provincial system of education. For some years past, the want of increased accommodation has been much felt in this section, and we trust that this building will fully supply that want, and that the high and important interests of education may be served. It is a building far in advance of anything we have previously had, as it may well be, for its cost, exclusive of fur-
