THANKSGIVING DAY SHOW NETS GOOD SUM FOR WAR FUND

Excellent Class of Dogs Is Benched. Champion Mersey Pilot Wins Premier Honor

The Thanksgiving Dog Show, held in aid of the blind soldiers, proved to be a great success, both as to financial results and the keenness of the competition in every class.

The show was very well patronized by canine lovers, netting the sum of \$164.60, which will go to a very good cause. The honors for the best dog in the show went to Champion Mersey Pilot, an English Bull owned by Bob Thomson, of Calgary. Mersey Pilot has just recently arrived from the east, where he cleaned up all honors at the Toronto bench show. Champion Aslett Bolton Beauty received the honor for the best bitch in the show.

There were 150 dogs benched and many came from outside points, the Chinook kennels, of Lethbridge, having a string of eight in the show, and the prize for the best dog or bitch shown, from any point outside of Calgary.

TROUBLE IN O.R.F.U.

Annual General Meeting Was Very Stormy One.

Toronto, Oct. 8.—The annual general meeting of the Ontario Football Association was held here today. As had been forecasted, the meeting was a stormy one from beginning to end, and at times it seemed as though the meeting would come to an abrupt ending. The proceedings were controlled by President Clarke, of Hamilton.

Considerable feeling was shown when a letter was read from Secretary Spence, of the Dominion Football Association, stating that he had just received a communication from President Craig Campbell, in which he stated that the suspension of Secretary Muir's title held good. The meeting refused to acknowledge the right of President Campbell to hand out suspensions, and after a long discussion, by a vote of 20 to 19, it was decided that the letter be filed.

One important rule was that the secretary of the association may not act in a similar capacity in any other association or competition.

The officers elected were as follows:

COSSACKS TAUGHT TO USE MACHINE GUNS
At the time the British armored cars, during the retreatment on the Russian front in Galicia, went to the aid of the Russians, some of the men volunteered to man the trenches along with the Russians—a very unusual thing for men trained for armored cars to do. The photo shows a Cossack division that came up to help stop the retreat receiving machine gun instruction from the men of the armored cars.

PREPARATIONS ARE ABOUT COMPLETED FOR ATHLETIC MEET

Interscholastic Meet Bringing Out Lots of Competition. Probability of Trophy for Each Class

With the probability of a trophy being put up for competition in each weight class an added incentive, the interest in the Interscholastic Athletic meet in the Horse Show building on Thursday is developing rapidly, and some of the smaller schools are laying plans to carry out one or more of the class trophies.

The final arrangements for the meet are now complete. Lieut. Alex Ferguson, the director of school physical work, will be referee and starter, while Boys' Secretary J. M. Sharpe, of the "Y," will be clerk of the course. Ferguson and Sharpe make a great team and have officiated in dual capacities in every athletic meet of importance in the southern part of the province for years. That they will be in charge of this one will assure a punctual, snappy program.

Mr. Royal Training at Mewata
Prof. Rosboro, of Mount Royal, has had his boys out every day on Mewata park preparing for a clean up, and will have full entries in every event in the higher classes. Mount Royal expect to get their name back on the championship roster after a temporary absence.

Sunalta the Baby School
The other schools are working hard, and adjusting their competitors to the classes. Sunalta, the baby member of the interscholastic, and with only 44 boys, is likely to be heard from. Their sensational win in rugby on Friday has given the youngsters confidence, and they are out to again demonstrate their superiority in athletics over the Central Hill with whom they competed as part for so long. Sunalta is fortunate in having some crackerjack athletes in the Public school meets.

KILLED A DRAGON

Lieutenant's Brutality Shocks Austrian Members.

Zurich, Oct. 8.—The session of the Austrian reichsrath Wednesday was broken up by the introduction of an interpellation concerning the murder of a dragon by a lieutenant in the eastern railway station in Vienna recently. The lieutenant boxed the ears of the dragon, who attempted to ward off the blow. The lieutenant then attacked the dragon with his sword and killed him. Many deputies were disatisfied with the ministerial promise of an investigation and an uproar ensued. Adjournment was taken until the government gives a more detailed explanation.

Sir Wilfrid in Toronto

Toronto, Oct. 8.—Sir Wilfrid Laurier, leader of the opposition, arrived in Toronto this morning and is expected to be here for a few days. The Liberal party is expected to meet with Messrs. N. W. Rowell, opposition leader in Ontario; Hon. George P. Graham, Liberal member of parliament for the province called to see him during the day.

A. J. Sifton Sure to Join

Winnipeg, Oct. 7.—Press Ottawa correspondent in a dispatch tonight says: "Union government tonight hovers on the brink. It may be consummated tomorrow or Tuesday. Whether it will be a union government of western Canada and Ontario Liberalism, without taking into consideration Quebec, or the Maritime provinces, or whether it will be a pseudo union government of Sir Robert Borden's 'second' choices, Sir George Perley, the Ontario Liberal whip at Ottawa, and C. M. Bowman, chief Liberal whip in the legislature, who arrived here today morning of the province called to see him during the day."

"Has She Not a Beautiful Figure?"

This expression was directed to a woman who is a very good customer of the Corset Salons and was made by another woman, an equally good patron of this popular section of the big store. The woman referred to has worn Royal Worcester Corsets for 15 years, and in conversation with our corsetiere expressed her belief that her corsets accounted for fully 80 per cent of her figure moulding!
