Surprising Results

A Simple Internal Remedy Makes Remarkable Cures of Catarrh.

People who have used sprays, inhalers, salves and washes for catarrh and have found how useless and inconvenient they are, will be agreeably surprised at results following the use of a pleasant, internal remedy in tablet form; druggists everywhere admit

that Stuart's Catarrh Tablets, which they sell at 50 cents for full sized treatment, is the safest, most effective and popular of all catarrh remedies.

Nearly all cheap cough mixtures and throat lozenges contain opiates; these cheap medicines give a temporary relief, especially with little children by destroying nerve sensation; the irritation in throat, which causes coughing, is temporarily removed, not taking the cause, but by deadening the nerves of feeling the irritation is not felt although it is still there and will promptly return.

Stuart's Catarrh Tablets is the best remedy to remove catarrh secretion, because they are composed of whole, some antiseptics like Red Gum, Blood Root, etc.; when you use these tablets you know what you are putting into your system and not taking chances with cocaine, opiates or similar poisons found in so many catarrh cures.

Dr. Randell, in commenting on catarrh cures, says: "I can heartily recommend Stuart's Catarrh Tablets, because they are composed of no cocaine nor other dangerous drug found in so many advertised catarrh cures. I have known of many cases of long-standing catarrh of the head and throat completely cured by the daily use of these tablets for several weeks. One case in particular which I could not reach with an inhaler or spray, and where the catarrh caused daily headaches and a noticeable loss of hearing was entirely cured by this harmless but effective remedy."

Dr. Wainwright says: "I never hesitate to prescribe Stuart's Catarrh Tablets for catarrh of the head and throat. I know them to be perfectly safe for child or adult, and have seen many remarkable cures resulting from their daily use; because they are advertised and sold in drug stores in so many places, and any good physician should not use them because we should seize upon the means of cure wherever found."

Stuart's Catarrh Tablets are especially valuable for catarrh of the head, because they are pleasant to break up severe colds and croup at the very beginning.

All druggists sell the remedy at 50 cents for full sized package.

A NEW FORCE ORGANIZED

The Artillery Mounted Rifles
Take the Field.

Reported Treachery of Boers in
Shooting Two Officers Denied.

Three Officers and Two Troopers of
the Canadian Mounted Infantry
Thrown From Their Horses.

Johannesburg, Jan. 7.—Lord Kitchener has organized a new mounted force from the artillery. This command, which will be known as the Artillery Mounted Rifles, took the field yesterday 1,400 strong. It consists chiefly of gunners of the howitzer batteries with some others from the field batteries. The reduced forces of the Boers offer little scope for artillerymen and it is believed that they can be used with greater effect as a mobile column to crush out the final resistance of the burghers.

LAND SETTLEMENT SCHEME.
Bloemfontein, Jan. 7.—The government is purchasing 80,000 morgen of land in the Ficksburg district in connection with the land settlement scheme. It has already bought 35,000 morgen in the Thaba N'Chu district.

The idea is to split the lands into small holdings and enable settlers to establish small communities and villages. The government is also buying large tracts of land for the same purpose in the Orange River valley.

A NEW RAILWAY.
The Harbourside Bethlehem Railway, 70 miles long will shortly be completed. For 40 miles the line runs over breastworks that were constructed by the Boers before the war. Passenger traffic on the Bloemfontein-Samaras Post Railway, which hitherto has been used exclusively by the military, will commence tomorrow. The main line from Norval's Point to Viljoen's Drift will be related immediately to provide for the extra heavy traffic.

A DENIAL.
London, Jan. 7.—The war office on the authority of Lord Kitchener, denies the report telegraphed from Pretoria, January 1, that two officers of the intelligence department who were sent to parley with the Boers who deserted to the British, were treacherously shot by concealed Boers.

CASUALTIES AT HALIFAX.
Halifax, Jan. 7.—Several officers and men of the Second Canadian Mounted Rifles were thrown from their horses on the exhibition grounds, and two of them received serious, if not fatal injuries. Lieut. Woodside, of Dawson City, who was the Canadian census commissioner in the Yukon, was thrown from his horse and had his skull fractured. He is at the military hospital, and fears are entertained for his recovery. Lieut. Richards, formerly of Strathcona's Horse, and Lieut. Lamkin, of Quebec, were also thrown from their horses, both receiving slight injuries. Trooper McLennan, of the 10th, was thrown violently from his horse, and his skull was fractured. The doctors hold out little hopes for his recovery. Trooper Mayne was hurled from his horse and had an arm broken. Several others received injuries.

CLOSE CALLS.
Brampton, Ont., Jan. 7.—Saturday evening, as the two sons of Thomas Richardson, aged 10 and 12, were driving a horse across the G. T. R. tracks at Queen street, the 4:50 express from Toronto dashed at all times in the hour.

The two children escaped unhurt.

How to Make a ROUGH SKIN SMOOTH

There are some whose skin is naturally very tender, so much so, that a slight change in temperature, either heat or cold, will cause it to become rough and scale. This is very annoying, whether it makes the skin sore or not. A trouble of this kind is due to the skin being too dry, the underlying glands not giving it food enough. It must, therefore, be fed artificially. This may be done by using OLA CREAM, a scientific skin food. OLA CREAM is not a thin, watery fluid, but is of a creamy consistency. Prepared from a valuable formula, consisting of healthful ingredients, which feed the skin, building up the tissues, supplying to the glands that which they lack to prevent roughness.

Anyone who is troubled with roughness of the skin or chapped hands will find OLA CREAM a sure preventative.

We are receiving many testimonials for OLA CREAM. We have made a study of the care of the skin, and will be glad to give any information to anyone writing us.
