London Excited Over a Series of Incidents Which Occurred Since Noon Today-Little Beryl Jewell Victim of One of the Mishaps.

DETECTIVES HAD A BATTLE ROYAL

Dr. Becher Had a Close Call From Being Bitten Before the Officers Killed the Animal-Mr. Gillian McLean Had the First Encounter With the Brute.

in London today over the mad dog a wound half an inch deep, from the

avenue just before noon, and shortly after 1 o'clock after an exciting chase that led through some of the most known at present, as he did not we crowded thoroughfares of the city, to see what the damage had been. Detectives Nickle and Down succeeded in disposing of a black and white wound, stated that it was essential sheep dog that showed unmistakable that the dog should be located, as it signs of tables, at the corner of Talbot might be possible to learn from its and Bathurst streets.

Earlier in the day Mr. Gillean Mc-Lean reported to the police that a black and white dog had attacked him rear St. James street, and at once Detectives Nickle and Down were put on the case, and after some difficulty who resides at 290 St. James street, they succeeded in getting track of the canine. It made down Talbot street, biting several dogs on the way.

Dr. Becher's Escape.

Dr. Becher was going into 495 Talbot street, when a teamster on a lorrie shouted for him to look out, and he After several as

The detectives were now clese on his examining the place where the track, and caught sight of him near the Bernard House, where the dog stopped to quarrel with several others. They followed after him, shouting to people as they came to keep out of the way, and firing when they got a chance. At the Grand Trunk crossing Detective Down obtained a club, and he succeeded in dispatching the wounded dog with it at the corner of Bathurst vertiser:

Document Was Sent Back So That It May Pe More in Accordance With What the Aldermen Intended to Do-A Special Meeting at Noon Today.

Electrical Engineer Sifton was not named tree trimmer by the city council at a special meeting held at noon today.

Instead City Solicitor Meredith was instructed to "prepare bylaws in accord-structed to "prepare bylaws in accord-structed" under the control of the water commissioners," asked Ald. Tancock, "The city solicitor's opinion is all nonsense. He did not cut much figure in the Saunby suit, nor was he right about the river. He is not infallible." named tree trimmer by the city council at a special meeting held at noon today. structed to "prepare bylaws in accordance with the motions of the council." When the bylaw was read it gave Mr. Sifton wide powers, practically placing every tree in the city under his control.
Ald. Rose moved that the bylaw be read
a first time, as it would then be possible
to repeal it at any time.

Powers Too Wide. "That bylaw gives Mr. Siften too wide powers," objected Ald. Tancock, "That is not what we intended. We want a bylaw in accordance with the motion

passed at the last meeting of the council."
"How is it that the bylaw is not drafted in accordance with the motion I made?" asked Ald. Saunders. "There are many things about these bylaws that are mysteries to me."

City Clerk Baker was dispatched to interview City Solicitor Meredith and ask his to come to the meeting. According to the Statutes

Mr. Meredith stated that the bylaw was prepared strictly in accord with the statutes governing such cases.
"What will become of Ald. Stevenson's trimmer, and when the notice of motion, placing all the parks lils amendment carried.
