Associated Press Despatch.

Olympic Stadium, July 13.—The United States left the Olympic battlefield today triumphant in track and field for the eighth successive time since the modern revival of the Olympic games. But when dusk brought a close to the greatest and most spectacular fight ever witnessed for international athletic honors, the United States shared the final glory with her gallant rival from the north, Finland.

The premier mantle of Olympic triumph went to the new Finnish hero, Alben Stenroos, who raced under a blazing sun to the classic marathon championship, a victory which capped the climax to Finland's clean sweep of the distance races and gave the little Nordic country the greatest laurels it has ever won.

Small Crowds.

Even the marathon failed to bring out the banner crowd expected for the closing day. There were only about 25,000 persons present. Paris is in the throes of a national holiday, with dancing and other festivities and has been neglecting the Olympic games. Today's crowd for the most part was composed of foreigners.

The figures for the decathlon were announced at the opening of today's competitions, as follows:

First—Harold Osborne, United States, with the world record-breaking figures 7,710.775; second, Emerson Norton, Georgetown, 7,350.895; third, Kleimberg, Esthonia, 7,229.36; fourth, Myrra, Finland, 7,005.175; fifth, Sutherland, South Africa, 6,794.14; sixth, Gerspach, Switzerland, 6,743.35.

Frigerio of Italy, proved himself king of the 1924 Olympic walkers, just as he did at Antwerp in 1920. He won the 10,000 metres walk (6 miles 376 yards) in 47 minutes and 49 seconds, thus placing Italy in the scoring column for the first time. Frigerio's style carried him over the ground very fast; it is faultless. He was the only one of the ten starters not warned by the judges for hopping or breaking into a jog. He lapped the entire field with the exception of Goodwin of Great Britain, who finished second, and MacMaster, South Africa, who was third.

Walking May Go.

Not a great deal of interest was shown in this event, and the decision of the international Olympic committee to remove it from future Olympic programs is believed to have been vindicated.

The marathon runners jogged around the track for a lap and a half before starting on their 25-mile journey over the country roads. The field was already strung out for a hundred metres when the runners disappeared outside the stadium.

The 400-metre relay race resolved itself into a duel between the United States and Great Britain, Holland being five or six yards in the rear.

The United States team was helped to victory by superior speed in passing the baton. The time, 41 seconds flat, equalled the world record made an hour before by the United States in the first heat of the semi-finals against Switzerland.

Paavo Nurmi of Finland, as usual, ran all opposition into the ground before 3,000 metres team race was half over.

Nurmi and Ritola, who finished in that order, were fresh, after a hard race, in which the Olympic record was broken, Nurmi covering the distance in 8 minutes 32 seconds. The previous record, 8 minutes, 36 4-5 seconds, was made by Kolehmainen at Stockholm in 1912. Ritola was 80 yards behind at the finish, and Nurmi eased up.

Only nineteen men reached the end of the journey out of twenty-four starters.

Cochran gave the United States a ten-yard lead over Great Britain in the first quarter of the 1,600 metre relay. Stevenson, running superbly, extended the lead a few yards, Great Britain still holding second. The Swedish runner in the third quarter speeded past the British and reduced the lead of the United States although MacDonald ran well.

In the fourth quarter Helffrich accepted the furious challenge of both Briton and Swede and wore them out at a burning pace. He finished fully fifteen yards ahead of the second man.

Stenroos, a 40-year-old Helsingfors woodworker, running his 15th competitive marathon race in 15 years, slipped over the 26 miles of country roads to one of the most impressive victories in the history of the blue ribbon event. He crossed the finish line inside the stadium amid a deafening ovation, in 2 hours, 42 minutes, 22 3-5 seconds, nearly six minutes in front of his nearest rival, Bertini, of Italy.

But remarkable as was Stenroos' triumph in the world's greatest test of heart and stamina, the highest honor of all in the final analysis must be bestowed upon his countryman, Paavo Nurmi, who completed a phenomenal record today when leading his team to victory in the 3,000-metre race, he won his fourth triumph of the game.

Nurmi's Gallant Try.

Nurmi, flawless running machine, whose marvellous achievement in capturing four Olympic events, stands alone in comparison with any accomplishment since the games began, was the mainspring of the courageous but vain fight Finland put up to outscore the United States. The little northern country gave the United States one of the closest battles it has ever had, virtually with a two-man team. A recapitulation shows that practically half of the team's points were scored by Nurmi and Ritola, who established the Olympic "iron man" record by competing on all eight days and breaking two records while racing a total of 42,000 metres, equivalent to the marathon distance.

Taking the three days' events in record-breaking fashion, the United States ran its final point total to 255, as compared with Finland's 166, and also gained the coveted margin in first place, with 12, to 10 for Finland.

Thrilling as were the United States victories today, Finland's triumph over Great Britain and the United States in the 3,000 metres team race and the decisive capture of the 10,000-metre walk by Frigerio, the Italian star, who thus retained his Olympic title, won four years ago, chief interest centered in the marathon. This was manifested not only by the crowd of 25,000 in the stadium, which saw the band of 50 runners off late in the afternoon, and nearly three hours later acclaimed as the conquering hero the sturdy Finn, Stenroos, as he strode first through the portal, but also along the 26 miles of roadside, where probably 100,000 more saw the great struggle.

Over the first half of the winding hill and dale journey to the little French village of Pontoise and return, the lead changed several times, the glory of the old Greek marathon runners being revived in the first dozen kilometres by Kranis, who set the pace until he was succeeded, first for a short distance by Demar, United States, and then by Verger of France, who gained the plaudits of his countrymen during the course, until the ultimate victor, Stenroos, took the lead at the halfway mark. From that point the Finnish star, running smoothly and apparently without great strain on his powers, despite the heat which nearly equalled that of yesterday added to his advantage.

Three-quarters of the way home Stenroos was out of sight of his nearest rival Romeno Bertini, the Italian, who passed Demar at the 27-kilometre mark and took up a gallant but futile chase.

Through crowded lanes, over the last stages of the journey, he never slackened his pace, whether on upgrade, over side paths or the cobblestones of the village streets. Stenroos was vivaciously greeted, but except from a familiar shout from some countryman, he seemed oblivious to everything, but keeping a straight course and a steady pace. While practically half the field had dropped out in the close half of the race, and others were barely able to keep going, Stenroos came into the stadium track running strongly, and, after breaking the tape, raced around the field to acknowledge his countrymen's greetings.

CUTHBERT WAS 13th.

J. Cuthbert of Guelph, got cramps between the control stations three and four, and had to walk a mile to get a cup of hot coffee at Saint Ouen. This pulled him together, but at Virafe, the sixth station, he had got back to 17th position which he reduced to 13th on the return.

Victor McAuley of Windsor, N. S., had some trouble when six miles out, but a glass of milk at each station relieved him sufficiently so that he was able to finish in 14th position. Fifty-eight started.

SOCCER KICK-OFFS

By LINESMAN

Saturday's result at Springbank was not anticiapted, as the Saints had improved wonderfully of late and were expected to give the Leafs a real battle.

Referee Noble was prone to ignore the offside rule all through the game, which accounted to some extent for the poor showing of the Saints, who were at times discouraged but should have kept on trying nevertheless, as the Leafs also suffered in this respect.

Jimmie Green worked hard and never gave up all through the game.

Teebles' appearance in the Saints' front rank was welcome. Too bad he did not get in the game earlier in the season. He will, however, add strength to the Saints in the forthcoming cup and trophy competitions. His two goals on Saturday were beauties.

Cunningham was in rare form Saturday, his share of the spoils being four goals, while Tommy Bowman also got three.

The Leafs without a doubt are a well-balanced team, and should certainly make a bold showing in the Ontario cup competition.

Rumor has it that a senior team is to be organized from the juniors and will be operating in senior company next season.

A general meeting of the London and District is to be held at the armories Thursday, July 24, when the draw for the Thomas Injured Players' Trophy will take place. All entries should be in the hands of the secretary not later than noon of that day, and clubs should make every effort to take part in this competition, as it is for a cause that deserves whole-hearted support from all lovers of soccer.

It is imperative that club secretaries should furnish the referee with the official list of players before the game starts. Two clubs were censured by the council recently for their failure to do this.

It is noted that the Rovers feel they have been harshly dealt with by the council. This may appear so, but it is the desire of the council to do justice to every club under its jurisdiction. The Rovers have many friends, and it is to be hoped that they will reconsider their decision and finish the season out, taking part in the various competitions yet to be decided.

The Free Press final between the Leafs and R. C. R.'s will definitely be played on the 26th.

The Saints and United Vets are playing their league game at Port Stanley on the 26th. This game was billed for the 19th, but was arranged by the club as an extra attraction for the English picnic.

The council is still making efforts to get an intercity game between this district and Toronto.

Bowman has come into his own as the leading sharp-shooter of the league, displacing Benny Beachill, who, however, is hanging right on. Below are the leading marksmen at present:

Bowman (Leafs)	10
Bearchill (C. N. R.)	9
S. Davey (Vets.)	7
Cunningham	7
Peterson (Caledonians)	6
Bird (R. C. R.)	6
Whitelow (C. N. R.)	5

The hat trick was accomplished no fewer than eight times, Bearchill, Bowman and Cunningham obliging twice in this respect.

RANGERS PUT STRATFORD OUT OF ONTARIO CUP

Kitchener, July 13.—Little difficulty was experienced by the Kitchener Rangers on Saturday afternoon here, in defeating the Stratford Dufferins, 5-0, in a second round Ontario Cup game.

With the exception of the first ten minutes Stratford was outclassed. Hodgins starred for Kitchener, notching two goals. The return is carded for Tuesday in the classic city.

The teams: Stratford Dufferins, goal, Murray; backs, Atkinson and Barclay; half-backs, H. Fisher, Rose and Campbell; centre, Pentney; forwards, Sloan, Spiers, A. Fisher and Nelson.

Kitchener Rangers, goal, Nisper, backs, Connors and Whitla; half-backs, Ashcroft, Mather and Garden; centre, Wey; forwards, Barnes, Hodgson, McColl and Langton. Referee, Alex. Morris of Brantford.

ONTARIO HOSPITAL BEATS ST. THOMAS

London Team Takes League Fixture by Innings and 63 Runs.

The return Southwestern Ontario Cricket League match between the Ontario Hospital and St. Thomas was played at St. Thomas Saturday under ideal conditions, and some fair cricket and good field work were witnessed. The St. Thomas team is badly in need of practice, which alone keeps them from becoming a first-class team. M. Ward was their best in the field and did some remarkable good fielding. For the cupholders, Capt. Dr. Chalk was the deadly with the ball, taking in two innings 11 wickets for 22 runs. Ashton also made good, taking five wickets for 10 runs. The batting of 31 runs by Dr. Chalk was made in very quick time, being at the wicket only 20 minutes, then retiring in favor of the others who had not been to bat.

Other good scores in the match were made by C. Hemmings, Parsons and C. M. Ward, making 51, 24 and 15 runs respectively. Some chances in rungetting were given, and had St. Thomas been trained up it would have been their advantage. The final scores of the match were: St. Thomas, first innings 28 runs, second innings 26 runs; Ontario Hospital, 127 for nine wickets (innings declared closed), which gave the league holders two points in the league and a win by an innings and 63 runs.

LONDON ORIENTS' 6-3 VICTORY OVER TOM CATS CINCHES GROUP

Toots Doherty's Clouting Brings In Four of Locals' Tallies.

BILLINGS OUSTED

Hank Down Allows Railroaders But Seven Scattered Safeties.

By defeating the St. Thomas Tom Cats 6—3, Saturday at Queen's Park, the London Orients cinched the Southern Counties League, section "A." About 3,000 attended the fixture.

Toots Doherty was the leading hitter and hero of the affair, having three hits in four times to bat and driving in four of the six runs.

Billings, who started for the Smoky City crew, was relieved in the seventh by Morden. Down pitched effectively against the Saints, only allowing seven hits, which were fairly well scattered.

St. Thomas opened the scoring in the first frame when Lindsay doubled and Binns drove him in with a hot double down the third base line.

Orients came back in their half of the first. Isaacs singled to centre; Armstrong got a scratch hit to short; Reilly forced Isaacs at third. Both runners advanced on a wild pitch, and Hank Down got a short hit behind first, Armstrong and Reilly scoring.

Saints Count Twice.

In the fourth the Saints counted two when Binns hit a hot one to Doherty, Barclay doubled to left, and both Binns and Barclay scored on Greenaway's fast double through short.

The fifth inning found two more runs to the locals' credit, when Armstrong's fly bounced out of Doan's glove. He stole second and went to third on Billings' overthrow to second. Reilly walked, Doherty crashed a hit to left field, Armstrong and Reilly crossing the plate. Down walked, Fitchett hit a hot one down by second that seemed impossible to field, but Riseboro made a nice pick-up, touched second, which put out Down, and threw to first, completing one of the fastest and prettiest double plays seen on a local diamond this season.

To start off the seventh Isaacs walked, Armstrong sacrificed, Reilly was safe on Riseboro's error, Doherty again hit a hard one to right driving in two more runs. This proved the undoing of Bill Billings.

Doan Good.

Doan, the center fielder of the St. Thomas crew, made a wonderful catch of Fitchett's fly, and also made a nice catch of Smith's hit in the eighth.

With two out in the last inning the Railroaders threatened, when Greenaway has hit by a pitched ball. Evans singled to center, Farley, batting for Doan, was called out on strikes.

After the fourth frame the big London hurler was never in any danger, and his support was good, only one error being chalked up against the Forest City boys.

Down had ten strikeouts to his credit, allowing seven hits, Billings five, and Morden one. Four errors were made by the St. Thomas team.

GUELPH NINE LAYS TERRIERS' JINX

Chuck Henry Beats Friendly Graham in Pitching Duel.

Special to The Advertiser.

Guelph, July 13.—The Guelph Maple Leafs, in the best exhibition of baseball seen in the city this year, defeated the Galt Terriers for the first time this season by 4 to 1. The match was a real pitchers' battle between Chuck Henry, the Leafs' star right hander, and Friendly Graham, Galt's dependable moundsman, the local twirler having the best of the argument. Henry, who turned in by far his best effort of the season, held the hard-hitting McWhirter cross for five scattered safeties, one a home run by Watts in the fourth, which accounted for the visitors' only run, while Graham yielded a total of nine bingles, including circuit drives by Little and O'Connor. Guelph got to Graham early in the game for five hits which accounted for three runs. Again in the eighth frame the locals figured in the run column when O'Connor slammed the ball into deep left for a homer. Henry was invincible in the pinches and at all times had the game well in hand.

Special to The Advertiser.

Galt, July 13.—The Kitchener and Waterloo Wolves dropped into the cellar of the Intercounty League on Saturday at Preston, when the Riversides defeated them, 4—1. One "Fat" Leeds was responsible for the Wolves being tamed. He is a right-hander and this was the first game he has started in this season, and he simply slow-balled the Wolves "to death," allowing but two hits. His control was very good. While he was holding the Wolves in check, his team-mates were collecting runs. Harry Cowden made his second start since he injured his arm, but again was forced to retire, Dunbrooke replacing him.

PRESTON'S CRICKETERS LOSE LEAGUE MATCH

Special to The Advertiser.

Kitchener, July 13.—Preston's cricket team fell down badly at the bat in their scheduled Western Ontario Cricket League fixture with the Waterloo club, Saturday afternoon in the Waterloo Park. The final score was: 126 to 32, for the home club. Skinner bowling for Waterloo took six wickets for a total of 12 runs, while Downing and Burnham each hit up a total in excess of Preston's [illegible] runs [illegible] 23 and 35, not out.

Five runs the Kazoos garnered off the slants of "Lefty" Harris before he was removed in the fifth gave the visitors a commanding lead, and Elliott a high stockade from behind which he did some good hurling, and when he faltered, as he did on several occasions, the support accorded him was something entirely different than that which the late tail-enders had shown in the series to date. In the second, the first of four hits by Wills during the afternoon, with a safe bunt, and Naleway's stinging single to right gave the Kazoos a run. Singles by Becker and Wright and a double by Wills and O'Brien's sacrifice fly gave them a brace of markers. Baker, single-handed, and with three sparkling plays, turned them back in the third frame, but in the fifth they broke out again, an error by Baker, a single by Buffington, Wright's sacrifice and Wills' single chalking up two more counters. Delman was called in and retired the side. He held the visitors safe, smart work nipping a double steal in the seventh, until the eighth, when a walk, single and his own miscue filled the bases. Beatty picked a hard smash off Buffington's bat, on which Naleway scored.

Beatty started reprisals in the fourth with a place hit over the box, and Nason and Stimpson both singled. Beatty scoring on the latter's clout. Wild pitch—Hughes. Time—1:13. Umpires—Brichter and Griffin. Gehringer nearly tore Elliott's hand off with a terrific drive, but the visiting hurler settled him out as Nason scored. Wright made a fine play to get Kernan.

A smart double play nipped a London rally in the eighth after Stimpson had walked, and Gehringer was safe on a hit to short. In the ninth the Londoners started the four-run lead, Fields pinchhitting a one and Sandquist hitting to left. Bubser picked Baker off, and Beatty lofted a foul when Nason revived the attack with a single, scoring two runs.

Young Mr. Englishman nearly wound himself out of a win when under cover of his deliberate and lengthy windup, Marty Becker, who had been walked, tried to start the second game in the first frame, sneaked home plate. Thereafter, the elderly and fidgetty Richard Hughes threatened to duel his young opponent into the ground behind a one-run lead. Going into the seventh each had just allowed three hits. Englishman playing the Kazoos away in threes to the last three frames. Tice opened the London half by crashing a hard hit at Buffington and going to second when the visiting third sacker muffed a hurried recovery and threw over first. Two breaks came fast then. Hughes and Pierce collided, going after Stimpson's cute pop in front of the plate. O'Brien dropped Gehringer's short fly after a sprint, filling the bases. Wright on Kernan's choice slew Tice at the plate but Fields adjusted this by pinchhitting his second blow of the day in a similar role out to right field.

TILLSONBURG'S RALLY FAILS AT WOODSTOCK

In 7th and 8th Successive Rallies Net Pan Dreids Seven Runs.

Special to The Advertiser.

Woodstock, July 13.—The local Independents came across for their first victory in the second series of the Oxford-Elgin baseball league on Saturday afternoon when they turned the tables on Tillsonburg Oatfeds by a score of 10—9.

At the end of the 6th the winners were leading by eight runs, but in the 7th the Tillsonburg gang touched Thompson, the local moundsmen for five safeties, and those with an error gave them a quintette of runs. They made a real threat to pull the game out of the fire. Wood started for the losers but quit the mound in the 6th after allowing 13 hits. Eichenberg took up the task and twirled nice ball until the finish. Thompson also turned in a good game.

A feature of the tilt was the batting of "Red" Pullin, the Independent first baseman, as "Red" got five bingles in as many trips to the plate. One of these was a home run with two on, and the other was good for three bases. The visitors had seven errors, and most of them were costly.

Score:	R.	H.	E.
Tillsonburg	001 006 520—	9	14	7
Woodstock	311 303 00x—	10	15	5

Batteries—Wood, Eichenberg and Moyer; Thompson and O'Bright.

Umpires—Hicks, Tillsonburg, and Kennedy, Woodstock.

The game at Springbank Saturday between the Leafs and Saints was a very one-sided affair, the Saints being completely outclassed, 10 to 2, by the pronounced superiority of the Leafs. The game had been in progress but five minutes when Forrester opened the scoring for the Leafs. A little later this was followed by a second from Bowman, following a pretty combination play between Holt and Cunningham. Two more goals were scored by Cunningham, Adamson failing to clear the fourth one, and Cunningham had no trouble in scoring.

In the second half the game deteriorated, the Leafs scoring at will,
