THE ROYAL VIS The Dake and Duchess of

VANCOUVER, B. C., May 22 exception of having a browning and presenting an wharf, and presenting an add come, Vancouver made no effor ing the royal party here this m On the Abyssinia dockin boarded by Mayor Oppenh members of the city council C. P. R. officials—who, after bouquet to Her Royal Highmstivic address.

In reply, the Prince thanket for the cordial welcome extend and his consort. He was find himself once more or find himself once more on Cowas quite a new experience tinto a city of only three yee he was perfectly astonished size and importance of and the many signs of a to be seen on every han regretted that they would accept the hospitality so kin the name of the city of Varwell knew, he was return journey and had been forcearrangements some time before arrangements some time beformake them harmonize with sailing dates. He hoped all stand that this was the only prevented him from accept the invitation of Vancouver would with great pleasure
Majesty the expression of loy
tion contained in the addre tion contained in the address thanked the people of this yexpressed the wish that their perity would long continue. Emportant link between the (the Canadian Pacific) would

the chandian Pacific) would the chains binding together of the nation and of the wo he hoped that every prosper with the city of Vancouver province of which it was one towns. Continued cheers for bled crowd upon the doc Prince's speech, and the Rethen driven to the C. P. Ho lunched. The afternoon varies in driving about the Park with Major-General and Mayor Oppenheimer. and Mayor Oppenheimer. the Royal party dined wit Mrs. Oppenheimer and Mabbott. They went about train immediately after e thereby at 8 o'clock i

KOOTENAY LAKE A Prohibitive American Duty eral Mines-Railway Consi ing Quickly-Nelson Town R. D. Atkins arrived last or Kooteney Lake mining dist Northern Pacific. To a re Colonist be stated that ther deal of disappointment among the action of the American oplacing one and a half center on all lead ores. Hitherto, wied a certain percentage of ried a certain percentage entered free. Now, all

entered free. Now, all graplaced on the dutiable list.
Post not been made, there dence that mining and ship
