COLONIAL ASSURANCE, The Tronto Gibe Answers-Tabapastase and a serget and output of the solution of Cuba is more directly and extensively interested in the building of a ship canal through the isthmus of Panama than Canada can be, yet we enter into no negotin; tions with Cuba in regard to the future status of the canal. Why? Simply be-cause Cuba is a colony of Spain, as Canada is a colony of Great Britain, and colonies have to take a back seat when nations have business with each other. If Canada wants a voice in the manacement of the concerns business with each other. If Canada wants a voice in the management of the concerns of this continent let her cast in her lot with the United States and help to shape the destinies of the new world, or let her exhibit an independence corresponding to bumbtiouwness and set up as a nation.
