may. If the Americans are not a practical people, where are you going to find any such, we may ask? Let us suggest that it would be spring to the occasion were Sir all and the season. The sound are full of them, and so spring the sum of the streets. The spring trade is are some of the streets. American law comes into force to-morrow, american law comes into force to-morrow, not be brought into operation for some time public with his views as to how the law is likely to work. It is allowed that President Clevetowork. It is allowed that President From land has selected five good and able men, and land has selected five good and selected five good and solvent from the property of the pro that the board will be a strong one. From what our neighbors have rentured to try, Canadians should take courage.

Nor will the Liberal party, we trust, be de-prived of its head. It is probable that Mr. Blake may require relief from the performance of some of the labor heretofere attaching to the Opposition leadership.

The only construction that can possibly be

air of authority, is that Mr. Blake will require the formal appointment of a lieutenant who shall be charged with the duty of watching the Government upon ordinary occasions, Mr. Blake to reserve himself for special efforts. If his party can be satisfied with such an arrangement of a colony might prove a source ment outsiders can have nothing to say against the except this much: that under such as a rangement there will be a falling off in popular interest in the proceedings of the House, unless the first lieutenant should better his instructions and rise above his position. However, it is a family affair, and one to be deviced with such an arrange of the country of the country, where they have not wanted. It is easy to do away with the convict labor, but doing away with the convicts is a horse of another color. put upon the above, delivered as it is with an air of authority, is that Mr. Blake will require rangement there will be a falling off in popular interest in the proceedings of the Honse, unless the first lieutenant should better his instructions and rise above his position. However, it is a family affair, and one to be decided upon in caucus.

Stephano declares in "The Tempest" that he would be king of the enchanted island and that Grinculo should be his viceroy. The Globe's article raises the question as to who shall play the part of Grinculo at Ottawa.

Chobe's article raises the question as to who chall play the part of Grincule at Ottawa.

Mr. Mowat being wedded to his provincial career, most minds will surmise that Sir Mr. Mowat being wedded to his provincial do in Dominion affairs which lie or domain of ordinary legislation.

deputy-leadership. A comparatively few days will test the accuracy of this guess.

Although it seems but yesterday that Mugnery, "Rum, Romanism and Rebellion" returned Mr. Cleveland to the chair presidential, the canvass for next term is already open, with the present incumbent "in the hands of his friends," his campaign denunciasion of second term notwithstanding. His commination will be stoutly opposed by the

to Osborue Morton's place at Blue Bonnetts race course, Lachine, P.Q., and had a look at The National agreement protection is thus proven a farce. The clubs of the league and the Association take these players away from the clubs which developed their peculiar abilities, and then before a champion game is played put a premium on the man and want to sell him back to the club from which he was stolen. That's protection argued by the National agreement.

Shooting for Diamond Medals.

A large number of spectators were at the shoot at John Oulcott's, Eglinton, on Saturday. The prizes were five diamond medals presented by Mr. McDowall, the medals to be won twice by the same team.

The West Toronto Junction men proved successful, winning the medals for the first time with a score of 77-out of 100. The scores were:

West Toronto Junction Team—W. Wakefield 20. W. Clark 16 D. Blea 14, D. Hinton 14, A. H. Royce 14-77.

West End Gun and Dog Sports Team—P. Wakefield 18. E. Dollery 16, E. W. Clark 16, W. Wilson 13, J. Balley 12-75.

Ontiding the Association take these players away from the clubs which developed their peculiar abilities, and then as four horses in training.

Spanish King heads the list. He is a bay horse, 5 yrs., by King Alfonso, dam Ann the spanish king is a half brother to the great Tremont, and is owned by a sporting gentleman in Montreal.
