

the remainder of the car may be filled with purebred live stock.

Under the arrangement it is not necessary to load all the animals comprising a car load at one point, i.e., part of a car may be loaded at London, part at Woodstock, part at Toronto, or at any other stations on the direct line between the starting point and the destination of the car. No additional charge will be made for a car so loaded except shunting charges, which are \$3 for the first stop and \$2 for each subsequent stop. The same stopping privileges have been granted for unloading.

One man will be passed free with each car load, and he will be returned from the destination of the car to the original point of shipment at one cent per mile, second class. All animals sent at the above rates must be purebred and shipped for breeding purposes only; and a certificate of registration for each animal must be presented to the agent at the shipping point. After being examined by the agent, each certificate will be returned to the shipper.

**REDUCED RATES FOR SHIPMENT OF THOROUGHbred STOCK BETWEEN POINTS WEST OF LAKE SUPERIOR.**

Thoroughbred cattle, sheep, and swine will be carried in less than carload lots at 50 per cent. less than the published tariff rates between stations on the Canadian Pacific Railway lines west of Lake Superior, Manitoba, and the Northwestern Railway, and the Great Northwestern Central Railway. The owner or agent will be carried in charge on the same terms and conditions as prevail in the handling of ordinary stock. Refer C.P.R. agents to C.P.F. Circular No. 842, signed Robert Kerr; M. & N.W.R. agents to M. & N.W.R. Circular No. 189, signed A. McDonald; G.N.W.C.R. agents to G.N.W.C.R. Circular No. 58, signed H. F. Forrest. These circulars were issued May 1st, 1896.

**RATES FROM ONTARIO TO EXHIBITIONS IN MANITOBA AND THE WEST.**

The C.P.R. will carry animals from Ontario to the Northwest for exhibition purposes at the reduced rate per car load, and will return the same at one-half the going rate. For instance, a shipment to Winnipeg would be charged \$72. If returned to the original point of shipment the rate would be \$36 in addition to the \$72, total \$108, from any point in Ontario and Quebec west of Montreal to Winnipeg and return. Corresponding rates to other points.

An attendant will be carried free with each car load.

Those who make a business of raising poultry for the market should try to contract with large boarding houses or restaurants for a regular supply. Then the birds can be grown and dressed to suit the market, and all the profits go to the grower.
