HALL'S PATENT.

FIRST-PRIZE PORTABLE STRAIGHT FENCE.

I WILL give a Township Right to any man who will make an improvement on my fence, or as good a portable and permanent farm fence on any other plan,

COST, CONVENIENCE AND DURABILITY THE TEST.

Mr Samuel Hall, of Toronto, is exhibiting in the market, opposite the City Scale, a Patent Fence. It is very simple in construction; alleged to be the cheapest ever made, and is highly approved by the farmers who have examined it.—*Toronto Globe.*

Mr. Hall, now of Toronto, has invented a new kind of Fence, which is thought by good judges to have decided advantages over the common, both for cheapness and convenience, especially where it is desirable to have a moveable fence.—*Christian Guardian.*

I hereby certify that Samuel Hall, of Toronto, was awarded First Prize for a FARM FENCE, at the last Provincial Exhibition, in Toronto, 1862, and at Hamilton.

HUGH C. THOMSON,
Secretary Board of Agriculture of Upper Canada.

With the Right I will send my newly invented plan, by which any man or boy can make mortices without boring. The fence is made of any kind of wood, sawed or split, without nails or pins.

Rights sent to any part of Canada, East or West, with a plan how to make and set it, for $1 for 100 acres. Give the number of the lot, concession and township.

WHITE WILLOW.

I HAVE now the White or Hedge Willows planted and growing on Lot No 13, Con 4th, Township of Delaware, Middlesex Co, where those wishing to see the said White or Hedge Willows can do so by calling at my place, where I shall be prepared to take orders for any number of cuttings they may think proper to order, to be sent or delivered through the coming winter, as that season is the best time for parties to get them, so that they can plant in early spring, and the cutting will not sustain damage in being so long on the road, as they sometimes do.

I shall furnish parties purchasing full directions for planting, &c.
