EDITORIAL.

We beg to remind our patrons that this number commences the *Third Volume of the Church Chronicle*, and we respectfully request all friendly to the interests of the Church Society, to aid us in extending its circulation. In a Diocese like this, a medium of communication with our scattered members, and for diffusing Church intelligence, is absolutely necessary; and if the Clergy, and particularly those engaged in missionary work, would only take that interest in extending its circulation, and furnishing information, which we humbly conceive they can and ought to do, it might easily be made, not only interesting and useful, but profitable.

We are happy to inform our subscribers that several Clergymen, in and around Toronto, have kindly promised to assist in conducting it, and we hope it will prove more worthy of general support than it has yet been.

We respectfully request the clergy to avail themselves of the opportunity afforded them by the ensuing Easter meetings, to solicit subscriptions.

The publisher begs us to add, that he will be thankful of an early remittance of all dues on the previous volumes, as well as subscriptions for the present. We regret to find the arrears are large, and, in times like the present, not a little embarrassing; we hope, therefore, his request will be promptly attended to.

SUBSCRIPTIONS RECEIVED TO MARCH 31st, 1865.
