THE Subscriber begs to inform his friends
and the public generally, that having at a considerable
expense entered into arrangements with various
Agents in Great Britain, for the purpose of furnishing in-
tending emigrants with the best information of Private
Lands, both Cleared or otherwise, that he may have to
sell or Lease, he trusts to receive that support and en-
couragement which the undertaking deserves, by parties
possessing Lands for disposal, sending the same to him
with the necessary authority, as a published monthly list
will be sent to his Correspondents, by which means our
Emigrating Countrymen will receive that knowledge they
so much require, viz:—How and in what manner they
can invest their capital the instant they arrive here. As
at present, very little is known of the true capabilities of
Canada by a large majority of the British public, the Sub-
scriber confidently hopes that correct accounts forwarded
monthly, in the proper quarters, will eventually bring
many to our shores who otherwise would have gone else-
where.

**AYER'S
CHERRY PECTORAL**
For the Cure of
**COUGHS, COLDS,
HOARSENESS, BRONCHITIS,
WHOOPIING-COUGH, CROUP,
ASTHMA and CONSUMPTION.**

IN offering to the community this justly celebra-
ted remedy for diseases of the throat and lungs, it is
not our wish to trifle with the lives or health of the afflicted,
but frankly to lay before them the opinions of distin-
guished men and some of the evidences of its success,
from which they can judge for themselves. We sincerely
pledge ourselves to make no wild assertions or false
statements of its efficacy, nor will we hold out any hope
to suffering humanity which facts will not warrant.

FROM BENJ. SILLIMAN, M. D., L. L. D., ETC.,
Professor of Chemistry, Mineralogy, &c. Yale College,
Member of the Lit. Hist. Med. Phil. and Scien. Socie-
ties of America and Europe.

"I deem the CHERRY PECTORAL an admirable com-
position from some of the best articles in the Materia Me-
dica, and a very effective remedy for the class of diseases
it is intended to cure."

New Haven, Ct., Nov. 1, 1849.

PROF. CLEVELAND, of Bowdoin College, Maine,
Writes—"I have witnessed the effects of your 'CHER-
RY PECTORAL,' in my own family and that of my
friends, and it gives me satisfaction to state in its favo-
r that no medicine I have ever known has proved so emi-
nently successful in curing diseases of the throat and lungs."

HEAR THE PATIENT.
Dr. Ayer—Dear Sir:—For two years I was afflicted
with a very severe cough, accompanied by spitting of
blood and profuse night sweats. By the advice of my at-
tending physician I was induced to use your CHERRY
PECTORAL, and continued to do so till I considered my-
self cured, and ascribe the effect to your preparation.

JAMES RANDALL.
Hamden ss. Springfield, Nov. 27, 1848.
This day appeared the above named James Randall,
and pronounced the above statement true in every respect.

LORENZO NORTON, Justice.

THE REMEDY THAT CURES.

Dr. Ayer:—I have been long afflicted with Asthma
which grew yearly worse, until last Autumn, it brought
on a cough which confined me in my chamber, and be-
gan to assume the alarming symptoms of consumption.
I had tried the best advice and the best medicine to no
purpose, until I used your CHERRY PECTORAL,
which has cured me, and you may well believe me.

Gratefully yours, **J. D. PHELPS.**
If there is any value in the judgment of the wise, who
speak from experience, here is a medicine worthy of the
public confidence.

PROFESSOR A. C. BARRY'S

Tricopherous or Medicated Compound

When Theory and Comment authenticate each other,
there can be no mistake. This is the case as regards
BARRY'S Tricopherous. The theory of its operations is
this:—That it is imbibed by the absorbents and injected
through the superficial vessels promoting the growth,
beauty, and health of the Hair, when applied to the scalp,
and dissipating inflammation of every kind, (whether
caused by disease or accidental,) when applied to the
pimpled, blotched, tumorous, punctured, cut, burned,
scalded, or in any way irritated skin. It is also assured
that it acts upon the pores, those ventilators and escape
pipes of the system, and assists to dispel the morbid
elements of disease through these important chan-
nels. So much for Theory. Experiment proves that the
article is an invaluable remedy for all external hurts and
diseases, and that as a preparation for renewing the vege-
tative power of the hair, giving it a rich metallic lustre,
rendering it classic and curly, and removing scurf and
dandruff, it has no equal either in Europe or America,
while in cheapness it certainly stands alone.

Sold in large bottles, price 1s. 9d., at the principal
office, 137 Broadway, New York. Also by the principal
Merchants and Druggists in the United States and Cana-
da; and by **WILLIAM BAILEY,** Hair Cutter, Wig
Maker, &c., King Street, Toronto.

CANCHALAGUA;

FOR THE COMPLETE CURE OF
Coughs, Colds, Influenza,
Asthma, Bronchitis, spitting of
Blood, and all other Lung
Complaints tending to
CONSUMPTION.

DR. RODGERS' SYRUP OF LIVERWORT,
STAR, AND CANCHALAGUA.—This Syrup
contains no Calomel, or any mineral whatever, but is
composed entirely of those roots, herbs, and vegetables,
which have a specific influence upon the Lungs, and their
affiliated organs. Its IMMEDIATE effect is to allay all ir-
ritation and gently remove the Phlegm and other morbid
secretions from the Throat and Bronchial Tubes, thus
effectually relieving the Cough. It also stimulates and
imparts a healthy tone to the Lungs themselves, thereby
enabling them more thoroughly to remove from the blood
those impurities, and diseased particles, which, if retained,
do so much mischief in the system, and lay the founda-
tion for incurable CONSUMPTION. It also exerts a
decided action upon the skin, and assists nature in expel-
ling, through the exhalants, much of that morbid matter
which would otherwise be thrown back upon the Lungs.
When Tubercles are forming, it checks their further de-
velopment and progress; or if ulceration has taken place,
it assists the Lungs in throwing off the corrupted matter,
soothes the irritation, heals the diseased cavities, and re-
stores the Lungs again to healthy action. This medicine
therefore is not a palliative merely, but a thorough cura-
tive, as it strikes at the very root of the disease, and by
removing this, removes at once all its remote and atten-
dant consequences. This is its distinguishing character-

istic—a property possessed by no other medicine of like
nature, now before the public.

Price.—In large bottles, \$1, or 6 bottles for \$5.

da, 69, Yonge-street, Toronto.
