THE GIBSON BOOK FOR 1903

THE WEAKER SEX

By CHARLES DANA GIBSON

UNIFORM IN SIZE WITH PREVIOUS VOLUMES

PRICE - - \$5.00

MR. GIBSON'S 1903 book, made up, as heretofore, of selections from his most popular drawings, will be especially attractive this year, not only because of the larger number of cartoons than usual, but, in particular, of the greatly increased popularity and the telling character of his latest work. The key-note is found in the question mark cunningly suggested by the clever drawing accompanying the title phrase. Are women really "the weaker sex?" Most of the drawings have a humorous bearing on this all important question, and all of them show the piquancy, deft characterization and rare execution that have made Mr. Gibson's great and growing popular success.
