Electricity as applied by the Owen Electric  
 Belt and Appliances

It is now recognized as the greatest boon offered to suffering humanity. It HAS,  
 DOES, AND WILL effect cures in seemingly hopeless cases where every other  
 known means has failed. We give the most positive proof that rheumatism and  
 nervous diseases cannot exist where it is properly applied. It is nature's cure.  
 By its steady soothing current, that is readily felt, it will cure:

- |            |                  |                  |
|------------|------------------|------------------|
| Rheumatism | Lame Back        | Liver Complaint  |
| Sciatica   | Female Troubles  | Spinal Diseases  |
| Impotency  | General Debility | Constipation     |
| Neuralgia  | Kidney Diseases  | Lumbago          |
| Varicocele | Nervous Diseases | Sexual Weakness  |
| Dyspepsia  | Spermatorrhoea   | Urinary Diseases |

**Rheumatism.**

It is not pleasant to be compelled to refer to the indisputable fact that medical  
 science has utterly failed to afford relief in rheumatic cases. We venture to  
 assert that although electricity has only been in use as a remedial agent for a  
 few years, it has cured more cases of Rheumatism than all other means com-  
 bined. Many leading physicians, recognizing this fact, are availing themselves  
 of this most potent of Nature's forces when the old methods fail as they often  
 do.

**To Restore Manhood and Womanhood.**

As a man has not yet discovered all of Nature's laws for right living, it  
 follows that every one has committed more or less errors which have left visible  
 blemishes. To erase these evidences of past errors, there is nothing known  
 to medical science to compare with Electricity as applied by the Owen Electric  
 Body Belt. Rest assured that any doctor who would try to accomplish this by  
 any kind of drugs is practicing a most dangerous form of charlatanry. Use  
 the Electric cure and shun the drug store.

**We Challenge the World**

To show an Electric Belt where the current is under the control of the patient  
 as completely as this. We can use the same belt on an infant that we would on  
 a giant by simply reducing the current. Ordinary belts are not so. Other  
 belts have been in the market five and ten years longer, but to-day there are  
 more Owen Belts manufactured and sold than all other makes combined.

**Beware of Imitations and Cheap Belts**

Our trade mark is the portrait of Dr. A. Owen embossed in gold upon every Belt and Appliance manufactured  
 by us. None genuine without it.
