Some sixty-five million feet of lumber have been sold within the past week by the Chandiere mill owners to American dealers.

The St. John News says:—The easy entrance of the great ship (Northampton) into our port, and its safe departure therefrom when its visit was ended, told well for the capacity of our harbor, and the safe character of its approaches.

Mr. J. B. North, Hantsport, has just laid the keel of a new barque of 187 feet keel. Mr. North also has at his shipyard the brig "Redowa," which is undergoing repairs.

Applications for space are pouring into the Secretary of the Dominion Exhibition, and it is expected to be the largest and finest held in Canada. The buildings are nearly all completed.

At the lunch given by the Quebec Harbor Commissioners, on Saturday last, on the occasion of laying a tablet stone in the harbor works, the Governor-General, in the course of his address, said: "I believe the Princess has seen more of Canada than any other lady who has been so short a time in the country, or than any lady who has been here in the position of wife of the Governor-General, and in the first few weeks, with the exception of Winnipeg, which, I believe, last year had not ten thousand people, she visited every centre of population where ten thousand people have come together."

MONTREAL, Aug. 2.—520 emigrants, per steamer Sarmatian, arrived at the Tanneries Junction yesterday morning, where they were met by the Government agent. Of the whole number 200 were Norwegians, Swedes, and Germans, and the rest were principally Irish, English, and Scotch. Sixty Mennonites remained at Quebec until to-day, being detained in that city for the purpose of having their money, amounting in all, it is reported, to \$8000, changed to Canadian currency.—Last night three car loads of emigrants per S. S. Brooklyn and Scotland arrived at Tanneries Junction.

NEWS FROM ABROAD.

Bombay, Aug. 1.—The Khelati Gilzai garrison is in a precarious state; tribes are gathered in the vicinity, and much anxiety is felt for the garrison; unless Gen. Phayre relieves it, which would delay his march to Candahar.

The exports of domestic produce from New York for the week ending Wednesday night amounted to \$8,683,000, nearly \$2,000,000 ahead of the corresponding week of last year. Twenty cargoes of corn, averaging 75,000 bushels, have been sent to Hamburg and Bremen within a short time to be used in the distilleries.

London, July 30.—It is stated that arrangements have been made for the despatch of four or five thousand troops to Afghanistan from England within a few days. The military authorities are prepared to supply from England within the next fortnight 12,000 troops of all arms. The Admiralty has signified to the war department its readiness to provide transportation for twenty thousand within three weeks. General Sir Garnet Wolseley came to London yesterday from the Isle of Wight, after hearing the news of the disaster at Candahar. A telegram from the Viceroy of India last night refers to the despatch of reinforcements from various parts of India. Candahar is provisioned till the end of October.

London, July 31.—Mr. Puleston M. P. for Devonport, gave a dinner yesterday, at the Conservative Club, to Sir John A. Macdonald, Prime Minister of Canada. There were over thirty guests, including Lord Elcho, W. H. Smith, late First Lord of the Admiralty; Sir Chas. Tupper, Canadian Minister of Railways; Sir James Hogg, President of the Metropolitan Board of Works; Dr. Lyon Playfair, M.P., Chairman of Coms.; Mr. Rylands, M.P.; Mr. Leonard Courtney, M.P.; Hon. David McPherson Speaker of the Canadian Senate; Sir A. T. Galt, Canadian High Commissioner; Senator Vidal, Mr. A. P. Caron, M.P. for Quebec; Hon. J. H. Pope, Canadian Minister of Agriculture; Col. Dennis, Canadian Deputy Minister of the Interior; Hon. R. B. Dickey, Canadian Senator; and many other distinguished Canadian and British M. P.'s. Speeches were made by Lord Elcho, Sir John A. Macdonald, Hon. David McPherson, Speaker of the Canadian Senate; and Mr. Dickey. Sir John A. Macdonald affirmed in the strongest terms Canadian loyalty and determination to maintain connection with Great Britain, testifying to the uniform support received from the British Government, irrespective of the party in power, and asserting the popularity of the Marquis of Lorne and the Princess Louise among all classes of Canadians. Sir John's speech, which was unusually witty and brilliant, was received with loud applause. Mr. Caron, a French Canadian member of the House, confirmed, on behalf of French Canadians, their devotion to the Crown. Two British Cabinet ministers of the late Government were present. Mr. W. H. Smith and Dr. Playfair, responded heartily to the Canadians. Altogether the dinner was a significant and emphatic demonstration of the closeness of the existing union between Canada and Great Britain. Sir John A. Macdonald intends to prolong his visit some weeks, finding his reception in all quarters enthusiastic.

FACTORY FACTS. Close confinement, careful attention to all factory work, gives the operatives pallid faces, poor appetite, languid, miserable feelings, poor blood, inactive liver, kidneys and urinary troubles, and all the physicians and medicine in the world cannot help them unless they get out doors or use Hop Bitters, made of the purest and best of remedies, and especially for such cases, having abundance of health, sunshine and rosy cheeks in them. None can suffer if they will use them freely. They cost but a trifle. See another column.

ROBERT RAIKES Founder of Sunday Schools, 1780.

STANDARD MEMORIAL PORTRAIT. Line and Stipple Steel Engraving.

This Portrait has been produced at a cost of \$500 from the original painting by Romney, in possession of Maj. Gen. Raikes, London, by Rev. C. C. Goss, 97 Varick St., New York.

Officially recognized by the London Sunday School Union, and S. S. workers of Great Britain, and circulated there among the various Sunday Schools. Endorsed by the leading Clergymen of New York, and commended by them to the Sunday Schools of that country.

Half Life Size. Printed on plate paper, 22x28 inches—the only large steel plate engraving extant. Proof impressions, \$3. each. No inferior prints made from the plate. All Sunday Schools and S. S. workers desire it.

This Portrait commemorates CENTENNIAL of the Sunday School work begun by ROBERT RAIKES ONE HUNDRED YEARS ago. It is a faithful presentation from a portrait by Hammy, in possession of Major-General Raikes of London—a portrait officially recognized as the Standard Memorial Portrait of Robert Raikes, and accepted as such by the Sunday-School workers throughout Great Britain.

As a work of ART, it is one of the finest of Line and Stipple Steel Engravings, by Mr. A. Gihrlert Campbell, a well-known artist of New York. For nearly a year he pursued the work with such conscientiousness and fidelity, that it is regarded as his MASTER EFFORT.

This Engraving represents RAIKES sitting in his study in sweet and serene contemplation. His countenance, full of characteristic expression, combines the tender and humane, with firmness and decision—a happy blending of benignity with power. It is an expression such as we should naturally expect a philanthropist to possess—one that children delight to gaze upon. The engraved head is two inches in height—more than half the size of life; the embellishments forming the background is 12 1/2 by 16 inches, and printed on paper 22x28 inches.

Morgan Dix, D. D. Rector of Trinity Church, New York, says, "I have examined with great care the portrait of Robert Raikes issued by Rev. C. C. Goss of this city, and take great pleasure in commending it as a fine specimen of Art, and a very pleasing picture."

The Clergy, S. S. Teachers and Scholars, and others interested in Sunday Schools have now an opportunity of getting a superior likeness of this philanthropic Churchman. Orders accompanied with the cash may be sent to this office. Forwarded to any address on receipt of the money.

A WISE DEACON. "Deacon Wilder, I want you to tell me how you kept yourself and family so well the past season, when all the rest of us have been sick so much, and have had the doctors running to us so long." "Bro. Taylor, the answer is very easy. I used Hop Bitters in time and kept my family well and saved large doctor bills. Three dollars' worth of it kept us all well and able to work all the time, and I will warrant it has cost you and most of the neighbors one to two hundred dollars apiece to keep sick the same time. I guess you'll take my medicine hereafter." See another column.
