

WATSON'S Cough Drops are the best in the world for the throat and chest—for the voice unequalled. Try them. R. & T. W. stamped on each drop.

HIGHWAYMAN (to Mr. Levy, second-hand dealer in miscellaneous property)—“Your money or your life.”

MR. LEVY—“Mine frendt, you cannot expect me to gif you my money for nodings, and mine life von'dt do you no goot. But I tells you vot I will do—I will buy dot bistol off you at a fair brice!”

“THREE kinds of juries figure prominently in trials now,” remarked McCorkle.

“What are they?” asked McCrackle.

“Grand jury, common jury, and perjury.”

CITIZEN—“Why are you trying to shoot that dog?”

POLICEMAN—“He's mad.”

“How do you know he's mad?”

“He refused water.”

“Toronto city water?”

“Yes.”

“Bah! That's no sign.”

SHE.—“Isn't your determination to get married rather sudden? I didn't know that you even thought of it.”

HE.—“I didn't. But I have just heard of an excellent cook I can get.”—*Brooklyn Life.*

HARKAWAY—“Just before you were married you told me that you loved me. But you need not fear that I shall tell your husband of it.”

MRS. CUTTING.—“Indeed I told him of it long ago, but he said it was impossible.”—*Vogue.*

OH! Maiden with the golden hair!

'Tis real gold—you do not dye it.

And 'tis your own, O maiden fair—

I know exactly where you buy it.

TOO WELL GUARDED.

JUNIOR PARTNER—“You know that buyer I expected in from the West. I am afraid I won't be able to sell him much.”

SENIOR PARTNER—“Why not?”

JUNIOR PARTNER—“He brought his wife with him.”

BY EASY DEGREES.

AN old and well posted goat which was kept by a secret society for use of initiations, was chewing the leg of a boot when a young kid came along and asked:

“Say, doesn't it make you awful tired to have those duffers in the lodge ride you so much?”

“No, not much. You see I get used to it by degrees.”

A SQUARE DEAL.

TWO vagrants called on a kind old lady in the suburbs of New York.

“To which of you shall I give this nickel?” she asked.

FIRST TRAMP—“Give it to him, madame. He has purchased the route from me and I am taking him around to introduce him to the customers.”

SAFE STATEMENT.

EDITOR—“In the story on the De Kash's ball, you speak of the daughter's gown as a 'poem.'”

SPACERYT—“Yes; but it was even worse, if anything.”

JOHNNY—“What is heresy, papa?”

PAPA—“A means of getting plenty of cheap advertising, my boy.”

MR. M. A. THOMAS is now at St. Leon Springs, where he has assumed the management of the Palatial hotel there.

OWNED TO.

MAGISTRATE (to diminutive prisoner)—“There is no use your denying that you struck the policeman, and that you were drunk.”

DIMINUTIVE PRISONER (pointing to gigantic policeman)—“Is that the policeman I struck, your worship?”

MAGISTRATE—“Yes.”

DIMINUTIVE PRISONER—“Then I must have been drunk!”

It does seem a little odd that a good “trusty” grocer rarely succeeds.

FAMILIAR RESEMBLANCE.

PHOTOGRAPHER—“Your son ordered this likeness from me.”

“It is certainly very much like him. Has he paid for it?”

“Not yet.”

“That is still more like him.”

COMPENSATION AND RETRIBUTION.

“I SEE that an eastern paper is investigating the question: ‘Do men neglect their wives?’ What do you think about it?”

“Well, if they do, it's ten to one that other men don't.”

PUZZLED.

“I CANNOT understand ze American papers,” said the educated foreigner. “Here is one zat says ze bank is gone up, and here is one zat says ze bank is gone under.”

THAT INEVITABLE POSTSCRIPT.

SMITH—“What has become of your wife? I have not seen her for some time past.”

JONES—“No wonder. She has been staying with her mother for the last two weeks. I got a six-page letter from her this morning.”

“What does she say?”

“I don't know. I haven't got to the post-script yet.”
