REMARKABLE MEDICAL TESTIMONY. Messrs. Picault & Son, Chemists and Druggists, No. 42 Notre Dame Street, Montreal, have received

the following testimony :-MONTREAL, C.E., July 31, 1863.

Messrs. Doctors Picatur & Son:
Sirs.—This is to certify that for five years I was troubled with general debility, unable to perform any household duties, and suffering violently from palpitation of the heart. I was constantly under the insuence of a chilly fever, and experiencing awful pain in my whole body, I tried everything—sought medical anvice—but all to no avail. Twelve months ago I was induced to try BRISTOL'S SARSAPARILLA, and before I had taken two bottles, experienced a decided improvement; but my means not allowing me to continue its use, I was becoming worse again, when you kindly gave me a few bottles. It was the needed remedy, and its effect on my system was won-derful. I am now another woman; I feel well, eat well and sleep well, and do all my work without the least fatigue. I cannot too strongly recommend this invaluable medicine to the suffering, and I have not the least doubt they will derive from it the same benefit as I have. (Signed,)

ANGILE DANIEL, Wife of CELESTIN COURTOIS,

95 Visitation Street. I certify the above is the truth, CELESTIN COURTOIS.

Sworn bebore me this thirty-first day of July, J. BOULANGET.

Ayer's SARSAPARILLA THE WORLD'S GREAT REWEDY

SCROFULA AND ECROFULOUS DISEASES.

From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your SARSAPAR-ILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Rohl. Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sarsaparilla. My daughter, aged ten, had an afficting humor in her cars, eyes, and hair for years, which we were unable to cure until we fried your Sarsaparilla. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and much-esteemed lady of Demisville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous cruption, which was very troublesome. Nothing afforded any relief until we tried your San-Sapanilla, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known firm
of Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until
it disfigured my features and became an intolerable
affliction. I tried almost everything a man could of
both advice and medicine, but without any relief
whatever, until I took your Sarsararilla. It
immediately made my face worse, as you told me it
might for a time; but in a few weeks the new skin
began to form under the blotches, and continued
until my face is as smooth as anybody's, and I am
without any symptoms of the disease that I know
of. I enjoy perfect health, and without a doubt owe
it to your Sarsararilla."

Dr. Aver: I seldom fail to remove Eruptions and Scrafulous Sores by the persovering use of your Sarsaparettla, and I have just now cared an attack of Malignant Erysipelas with it. "For twelve years I had the yellow Erysipeias on my right arm, during which time I tried all the celebrated physicianal Could reach, and took hundreds of dollars worth of medicines. The alters were so had that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsapamilia. Took two bottles, and some of your Pills. Together they have cired me, im now as well and sound as any body. Being in a public place, my case is known to everybody in this commanity, and excites the worder of all."

Scald Head, Sore Eyes.

From Harvey Sickler, Esq., the able editor of the Trunckharnock Democrat, Ponnsylvania.

Gur only child, about three years of age, was attecked by plandes on his forelead. They rapidly spread until they formed a leatisance and virulent sore, which covered his face, and actually blinded his rest for some days. A shifful physician applied interts of sliver and other remedies, without any apparent effect. For likeen cays we guarded his hands, lest with them he should tear open the destroing and control wound which covered his whole face. Having tried every thing clse we had any hope from, we heram alving your Sansapatheta, and applying the icaide of potasi totion, as you direct. The fore began to head when we had given the first bottle, and was well when we had given the sirst bottle, and was well when we had alven the second. Reading, Pa. 6th May, 1861.

J. C. Aver, M. D. Dear Sir I have a long time theen utilisted with an cruption which covered my whole body, and suffered dreadfully with it. I tried the best medical advice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your Sansa-PARILLA, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cared me, and I am now as free from the complaint as any man in the world. Publish this, and let the af flieted know what you have done for me, and what may be done for their relief.

Yours, with great respect and gratitude, JACOR H. HAIN. The above certificate is known by us to be

true, and any statement from Mr. Hain entirely reliable. HARVEY BIRCH & BRO.,

Druggists, Rending Pa. B. W. Barl, Esq., the eminent author of this city, states, 6th Jan., 1860: "My wife has been of late years afflicted with a humor which comes out upon her skin in in the autumn and winter, with such insufferable itching as to render life almost insupportable. It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physici in I gave her your Sarsaparible. In a week it had brought the humor out upon her skin worse than I had ever seen it before; but it soon began to disappear. The tiching has ceased, and the humor is now entirely gone, so that she is completely cured. This remarkable result was

undoubtedly produced by your SARSAPARILLA. Charles P. Gage, Esq., of the widery-known Gage, Murray & Co, manufacturers of ensmelled papers in Nashua, N. H., writes to Dr.

Ayer:
