IMPERISHABLE FRAGBANCE.-As among the opera sirs of the great composers there are some which the public taste instinctively prefers, so smong perfumes there are grades of excellence among perfumes there are grades et excellence from which the world chooses the rareat and the best In the United States, the West Indies, Canada, South and Central America, etc., this choice has long since been made. MURRAY & LANMAN'S FLORIDA WATER 546 no rival among the perfumes of the Western Hemisphere. The once celebrated European toilet-waters are scarcely salable in any market where this re-treshing, healthful, delicions, and almost indestructi-ble perfume is procurable. Besides its unrivalled merits as a floral fumigant, it is when intermixed with water, a fine preservative dentifrice.

D Purchasers are requested to see that the words "Florida Water, Murcay & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine. 532 Agents for Montreal: - Devins & Bolton, Lamp lough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Grav, J. Goulden, R. CHRONIC ERUPTIONS, from w hatever cause arising are the most obstinate of external maladies. The, greatest believers, in mercury admit that it cannot control them. The iodids and biniodide of that mineral, as well as carrosive sublimate, all heretofore given for scrotulous and syphilitic eruptions and diseases, have been abandoned, and in all parts of this continent physicians are curing the most confirmed and virulent chronic eruptions on the skin with BRISTOL'S SARSAPARILLA, which acts chemically upon the blood and disinfects it. The use of BRISTOL'S VEGETABLE PILLS at same time with the Sarsaparilla will greatly facilitate the removal of all eruptions, pimples, blotches, etc., etc., as they carry off from the system the vitisted matter 506 set free by the Sa saparilla.
