It is better to yield a little than to quarrel a great deal. The hapit of standing up, as people call it, for their (little) rights, is one of the most disagreez ble and undiguified in the world. Life is too short for the perpetual brickering which attends such a disposition; and, unless in a very momentuous affair indeed, where other people's claims and interests are involved, we question if it is not better to lose somewhat of our precious rights, than to squabble to maintain them.

MMr. Brown called at a neighbour's and was urged to take supper, which he did, the old lady all the while saying:

·I am afraid, Mr. Brown, you will not make a supper; you have eaten tothing—do eat some more.'

### EVIDENCE FROM TORONTO SKIN DISEASE CURED!

Toronto, C.W., July 8, 1864.

Messrs. R. H. Wood & Brother, Druggists :

Gentlemen,-I deem it necessary to acquaint you with the benefit I have derived from using BRIS. TOL'S SARSAPARILLA, which I purchased from you. I was afflicted for some mouths with an affection of the skin, which caused me great pain; my face also was covered with a dreadful eruption.-After using a number of bottles of other medicines, without any visible effect, I was persuaded to try BRISTOL'S SARSAPARILLA. After taking one bottle, the good effects of the Sarsaparilla was apparent. I persevered, and after taking five bottles was perfectly cured. You have my full permission to acquaint the proprietors of this valuable medicine, with the great benefits I have derived from it.

Between Health and the Grave there is but a thin partition, and all who value life are willing, it is presumed, to do their best to prevent disease from breaking it down. Who so mad as to await the final attack, when the first onset can be repelled with BRISTOL'S SUGAR COATED PILLS, a preparation so genial and balsamic, so searching, yet so invigorating, that while it fights down the complaint, and expels its cause, it also builds up the strength and braces the constitution of the patient. Composed of antibilious and cathartic vegetable ingredients, at once safe and searching, it is the only cure for disorders of the stomach, the liver and the bowels which can be relieved under all circumstances, and in all climates. The ide of pain is justly associated with ordinary purgatives; but BRISTOL'S SUGAR COATED PILLS do not create even an uneasy sensation, either in the stomach or the alimentary passages. Need it be said that they are the best household cathartic and alterative at present known?

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills. 409

#### WEO IS MRS. WINSLOW?

As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a litetime spent as nurse and physician, she has compounded a Soothing Syrup, for children teething It operates like magic-giving rest and health, and is, moreover, sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race; children certainly do rise up and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe thousands of children have been sived from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed No mother has discharged her duty to her suffering little one, in our opinion, until she bas given it the benefit of Mrs. Windlow's Scothing Syrup. MURRAY & LANMAN'S FLORIDA WATER. - Tastes are as various in relation to perfumes as to wines -All gourmets, however, admire the Cliquot Champagne; and ladies of taste and refined perceptions admit that the fragrance of Murray & Lanman's Florida Water surpasses that of every other floral ossence. In South America it is the only perfume in use, and although recently introduced into this market, i. is in equal favor with our fair countrywomen. It is prepared from fresh flowers, but as the atomatic vegetation of Florida is more odoriferous than that of Europe, the Florida Water (bearing the above trade-mark) has decidedly a richer odor than

any European extract. Beware of Counterfeits; always ask for the legitimate Munray & Lanman's Florida Water, prepared only by Lanman & Kemp, New York. All others are worthless.
