ASSOCIATION OF LIFE AGENCY OFFICERS

The third annual meeting of the Association of Life Agency Officers will be held in Chicago, November 11th and 12th. Among the Canadian delegates will be G. H. Hunt, of the Imperial Life, and T. G. McConkey, of the Canada Life.

LONDON LIFE UNDERWRITERS MEET

Life agents of London, Ont., and the surrounding district, had the opportunity of hearing a series of addresses on salesmanship, by A. F. Sheldon, of Chicago, on October 29th to 31st. About 500 attended each meeting. The arrangements were made by the London Life Underwriters' Association and the London Advertising Club, the talks being beneficial to all engaged in selling. This is London's second effort at holding an educational conference, a similar meeting having taken place earlier this year.
