Mercantile Summary.

THE Rathbun Company will take out about sixty thousand railway ties around Calabogie this winter.

A KINGSTON firm has made some consignments of biscuits and confectionery to Vancouver, B. C.

MESSRS. H. J. LIBBY, J. S. Winslow, J. B. Libby, Geo. S. Hunt and J. B. Coyle, were chosen directors of the International Steamship Co., at the annual meeting held in Portland last week.

THE exports of Canadian produce to the United States from the port of Hamilton during January last were the value of \$42,100, principally barley, wood, horses, cotton waste, malt and horses.

ST. THOMAS has a featherbone factory which employs some twenty-five hands. This substance is intended to take the place of whalebone for corset purposes, and is made from turkey and goose quills.

WM. WATSON began, in August last, to do a fancy goods business in this city. It now appears the Detroit Paper Co. has appointed a receiver. It holds a judgment against him for \$400. Other creditors will get but little if anything.

Stock in the Yarmouth Steamship Company, limited, has been taken by a number of the leading bankers and merchants in Halifax. The steamers to be run by it will be the new steel steamer now building on the Clyde, and the "Dominion" and the "Alpha." The capital of the new company is to be \$170,000, in shares of \$100 each.

THE annual meeting of the Montreal Rolling Mills Company was held on Monday. A dividend of eight per cent. for the year was declared. The following were elected officers: President, Chas. S. Watson; vice-president, Mr. Andrew Allan; directors, Hon. John Hamilton, Messrs. G. A. Drummond, H. Montague Allan, Hugh MacLennan and E. S. Clouston.

JOS. A. VIVIAN who began the business of men's furnishings in Port Arthur, without capital, has just assigned, with liabilities of about \$6,000. Nominal assets equal in amount. For a man without capital to get this amount of credit in so short a time, shows that some firms or persons must have been exceedingly anxious to sell goods in that town.—In the fall of 1885, F. C. Norris began the crockery business in this city with borrowed capital. Not being so fortunate in getting credit as the man named above, his liabilities will consequently be small.
