## Company/Product

Stohtert Group Inc. provides management, engineering, and environmental services to the forest products manufacturing and process industries. The firm's services are provided through specialized operating divisions from offices in Vancouver and Edmonton, Canada; Bellingham, USA; Lagos, Nigeria; Dar es Salaam, Tanzania; and Singapore.

The company provides specialized services for all aspects of environmental work including project management, environmental impact assessments, resource inventories, identification of pollution control problems, design of appropriate pollution abatement procedures, resource development planning, economic feasibility studies, plantation development, logging and fibrous material handling systems design, and training in staff and financial management.

## Current Geographic Marketing Activities

Through its network of international offices (mentioned above), Stohtert has worked on projects in over 50 countries in the last 45 years.
