prices which are forced up by very large groups of corporations. The Government is distracting attention from those by pointing at the Family Allowance recipients who, by its own admission, may in fact not actually be affected in their dollar receipts by this legislation. It is a shameful charade which the Government has played on the House and the nation.

**The Acting Speaker (Mr. Corbin):** Order. Are there any questions or comments?

**Mr. Hnatyshyn:** Debate?

**The Acting Speaker (Mr. Corbin):** I will recognize the Hon. Member for Saskatoon West.

**Mr. Hnatyshyn:** Mr. Speaker, I see that I have two minutes in which to—

**The Acting Speaker (Mr. Corbin):** Order. I apologize to the Hon. Member. Was the Parliamentary Secretary rising to ask a question?

**Mr. Schroder:** No. I just wondered if we had used up our question time for debate.

**Mr. Hnatyshyn:** Sit down. I have a minute to go, and I will tell you what I think.

**The Acting Speaker (Mr. Corbin):** The Chair called for questions or comments. No one rose, and we are therefore now proceeding to debate. I recognized the Hon. Member for Saskatoon West.

**Hon. Ray Hnatyshyn (Saskatoon West):** I have one minute left in which to speak in this particular debate. I think it is significant that today we have seated across from us, on the Government side, the Minister of National Health and Welfare (Miss Bégin), who is responsible for Family Allowances and is to be the guardian of Family Allowances for the people of Canada, the Minister of Employment and Immigration (Mr. Axworthy), who has a special responsibility to the youth of this country, the Minister of State for Mines (Mrs. Erola) who is responsible for the Status of Women and who should be interested in the plight of women, including single mothers, and the Minister of Labour (Mr. Caccia), who should be interested in the terms of employment opportunities. They have been here and have condoned this atrocious attack on the youth and families of our nation. I simply say, shame on them.
