Montreal.

Dear Miss Hickson:-

On behalf of the University I wish to thank you most warmly and sincerely for the part you played in making the Reunion such a pronounced success. That it was such is enthusiastically acknowledged by everyone and it must produce the most splendid results for the University.

I consider that you are entitled to a very special measure of thanks for your interest in arranging for the entertainment of guests, and I assure you your kindness is more than appreciated.

Yours faithfully,

Principal.
