

Dr Carrel (perhaps the idea is Bergson's) uses the striking expression "le passé s'amoncelle sur le passé" — and the years which have passed so rapidly had there a real starting point. I think I can say I never have forgotten the University in which it was afterwards my privilege to teach.

Let me again thank you.

Very sincerely,

H. D. Rignault
Principal and Vice-Chancellor
McGill University

Dr R. W. Douglas
