San Jose, Calif.

RECEIVED NOV 23 1936

November 16th, 1936

The President,  
McGill University  
Montreal, Canada.

Dear Sir:

I am sending you separately, 12 free copies of my booklet  
entitled: "The Falsity of Philosophy and Theoretical Science".  
Will you be so kind as to distribute them among the professors  
of your staff whom they could interest, particularly the  
logicians, mathematicians and physicists.

Sincerely yours,

*George Pineau*
