Honourable T. G. Murphy,  
Minister of the Interior,  
O t t a w a .

My dear Minister,

Let me extend to you my sincere congratulations upon your inclusion in the new Cabinet as Minister of the Interior. The new government is taking office at a very critical period in the country's history and it is a great privilege and responsibility to become a Minister at such a time. All those truly interested in the real welfare of Canada must give their most helpful and sympathetic co-operation to Mr. Bennett and his colleagues, and I extend to you my warm good wishes for success in the new task which you are shouldering.

Yours faithfully,
