

### SILVERTHORN WANTS GARBAGE COLLECTION

Ratepayers' Association Elected Officers—Wm. Blackmore Now President.

At the annual meeting of the Silverthorn Ratepayers' Association in Silverthorn Methodist Church last night the following officers were elected: President, Wm. Blackmore; 1st vice-president, Wm. Book; secretary-treasurer, J. Steel.

Complaints having been made by the teaching staff of the temporary school that the children were drinking from the same metal cup to the danger of the health of the pupils, the secretary was instructed to write to the medical health officer requesting that the matter receive attention.

A letter from the Bedford Park Ratepayers' Association requesting the co-operation of the association to organize a central body, was discussed and was favorably received. It was pointed out that the Oakwood Ratepayers' Association did not receive the favor as they had informed the Bedford Park Association that they could get all they wanted from the York Township Council without joining any central body.

A letter will be sent to the York Township Council with regard to garbage collection. A member complained that persons in the Silverthorn bush district were burying their garbage in vacant lots to the danger of the health of the neighborhood.

"I have sent five letters to the council regarding the garbage collection matter, but have received no reply to any of them," said the secretary.

It was decided to hold a public meeting on Thursday next for the purpose of nominating a candidate for the school board. President Southworth occupied the chair.

### The Best Articles From All Magazines

### YORK COUNTY ...AND... SUBURBS

#### COUNTY TO PROVIDE FOR THE WOUNDED

Some Members of Special Committee Are Opposed to Insurance.

#### MEET AGAIN TUESDAY

Will Consider Scheme for Extension of Good Roads System.

That there will be no insurance of the soldiers now at the front or contemplating enlistments, so far as York County is concerned, is now pretty well assured. While the matter has not been brought officially before the members of council now in session, the committee having the matter under consideration, to which Reeve J. G. Cornell, of Scarborough, was yesterday added, are opposed to the scheme, and will so report.

"Because the City of Toronto engaged in this method of providing for the dependents of those lost in action is no reason why the County of York should adopt a similar procedure," said Reeve Keith to The World yesterday.

"We take the ground that infinitely more good can be accomplished in

other ways. The county will provide well for those injured in the defense of our country. They will not want rest assured of that, and we take the ground that the whole question ought to be dealt with by the government, the county will do its share. The whole matter will probably come up for discussion on Tuesday.

Other members of the council spoke in a similar way, expressing belief that the council at this session will deal generously with the matter, while expressing disapproval of the plan adopted by the city. Adjournment was last night made until Tuesday, York Township and two or three other municipalities hold council meetings on Monday.

Road Improvement. On Tuesday last the members will consider a scheme for the extension of the good roads system in North York, a motion to this effect having been introduced by Messrs. Wells and Ramsden.

The growth of population in York County, requiring another school inspector, A. A. Jordan, of Sturgeon Falls, was yesterday appointed to the position at a salary of \$1700, which increases at a salary of \$100 a year until a maximum of \$2000 is reached. There were 19 applications for the job.

#### FAIRBANK OPPOSED TO DIVIDING SECTION

If County Council Grants Farmers' Petition, Case Will Go to Higher Court.

A meeting of the North-Earls Court and Fairbank Ratepayers' Association was held last evening in the Club House, Harvie avenue, Vice-Presidents H. Hill occupying the chair. It was resolved to send letters of sympathy and condolence to the relatives of the late Pte. Douglas Freeman and the late Mrs. Alice Harris.

A letter from the Fairbank Liberal-Conservative Association was read, asking the co-operation of the Ratepayers' Association in approaching the York Township Council for a road thru Prospect Cemetery from Kitchener avenue to Calverton avenue.

Secretary Thomas Maltby could not see what a political organization had to do with a matter of this kind, and said that if the Conservative or other political associations were to take up close up, it was decided to leave the matter over to next meeting.

Division of Section. Regarding the division of the school section, J. H. Hill said: "The farmers are bringing the matter before the council, and I am in favor of the section, altho the York Township Council is in favor of leaving the section as it now stands. Should they be successful in their petition we should carry the matter higher up."

A member suggested bringing the matter before the City of Toronto Board of Education. "I am against going to the city for anything," said J. H. Hill.

"We are paying \$1 mill for school purposes in the township," said another member, "while the city people are only paying \$1 mill, and it is said that this year we will have to pay 10 mills. We are practically paying double rates with one-half efficiency of the staff, it is the system—too many children of different grades and the teachers compete to instruct two classes at the same time."

The matter of giving the township work to local contractors was briefly discussed, and left over to next meeting.

#### THORNHILL

The members of Trinity Church, Thornhill, are holding a garden party this afternoon and evening in the beautiful grounds of Dr. L. T. Lang, Thornhill Springs. The Richmond Hill Band will be in attendance. Half of the proceeds will be given for Red Cross work.

#### ST. VITUS DANCE IN YOUNG CHILDREN

Can Only Be Cured By Enriching the Blood and Toning Up the Blood.

One of the commonest forms of nervous trouble that afflicts young children is St. Vitus dance. This is because of the great demand made upon the body by growth and development, together with the added strain caused by study. It is when these demands become so great that they impoverish the blood, and the nerves fail to receive their full supply of nourishment that St. Vitus dance develops.

The remarkable success of Dr. Williams' Pink Pills is curing St. Vitus dance should lead parents to give this great blood-building medicine to their children at the first signs of the approach of the trouble. Pallor, listlessness, inattention, restlessness and irritability are all symptoms which early show that the blood and nerves are failing to meet the demand upon them. Here is proof of the great value of Dr. Williams' Pink Pills in cases of this kind. Mrs. Alfred Sochner, of R. No. 5, Dunville, Ont., says: "Our ten-year-old daughter, Violet, suffered very severely from St. Vitus dance. The trouble came on so gradually that we were not alarmed until it affected her legs and arms, which would twitch and jerk to such an extent that she could scarcely walk and could not hold anything in her hands steadily. She suffered for about five months before we began giving her Dr. Williams' Pink Pills, but she had not taken these long before we found that they were the right medicine, and she had taken nine boxes she had fully recovered her former health and strength. I can strongly recommend Dr. Williams' Pink Pills to every parent having a child suffering from St. Vitus dance or any form of nervousness."

Dr. Williams' Pink Pills has met with such success as Dr. Williams' Pink Pills. You can get these Pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50, from the Dr. Williams Medicine Co., Brockville, Ont.

### RALLY AT MIMICO WAS BIG SUCCESS

Over Five Hundred Conservatives Heard Patriotic Addresses.

### TOBACCO FOR SOLDIERS

Hat Sent Round Twice for "Smokes," and Aid to Work of I.O.D.E.

The most enthusiastic political meeting ever held in Mimico was that of last night, when more than 500 members of the Union Conservative Association of Mimico crowded Harrison's Hall to the doors, a number being unable to gain admission.

Patriotic addresses were given by Hon. T. McGarry, provincial treasurer; Controller Jos. Thompson, Dr. Forbes Godfrey, M.L.A., West York; Capt. Tom Wallace and Earl Lawson. All the speeches were couched in a loyal and patriotic rather than a party vein, the ovary reference to Sir Robert Borden was received with enthusiasm.

Discussing the work of Gen. Sam Hughes, Dr. Godfrey paid a high tribute to the zeal and devotion to his duties shown by the minister of militia.

Reference to the action of the Methodist conference recently held, reference to which was made, the big gathering, by the passing around of the hat realized \$34 on the spot for tobacco, and later by the same means got together \$50, which will be forwarded to the Daughters of the Empire. The \$84 contributed will be sent on to Capt. Hedges of the 20th Battalion, who are a large number of Mimico men.

### OPPOSE DIVERSION OF CIVIC CAR LINE MONEY

North Toronto Deputation Will Swat Recommendation of Board of Works.

The executive of the North Toronto Ratepayers' Association passed a resolution last night condemning the recommendation of the board of works that money voted for the Mount Pleasant car line be diverted to similar work on Bloor street. There was a very large attendance and the gathering unanimously decided to send a strong deputation to the city council to protest against the delay in carrying Mount Pleasant road thru the cemetery.

The Metropolitan Railway problem was also discussed but as a resolution was passed at the last general meeting urging the city council to disconnect the line when the franchise south of Farnham expires, no action was taken.

D. J. Reid claimed that no extension of running rights was necessary for the benefit of passengers as the St. Clair car line could be used to reach the Avenue road terminus of the city system and jitneys would accept a five cent fare from St. Clair avenue to King street.

In a letter to Donald Wheeler, 142 Bickle avenue, Fred Webster, formerly of 468 Mount Pleasant road, says that contrary to first reports, his wife and their twin sons perished in the Lusitania disaster. Mr. Webster and his eldest son Billy, aged 4, were saved.

### ARRANGING COURSES DURING THE SUMMER

Teachers Who Desire to Obtain Certificates in Any of Many Branches May Attend.

This year, as heretofore, the Ontario Department of Education offers summer courses, beginning July 5 and ending Aug. 6, to teachers who desire to obtain certificates in agriculture and horticulture, farm mechanics, art, household science, manual training, vocal music, the commercial subjects and physical culture, and certificates for admission to the normal schools and the faculty of education. To these the department has this year added courses for intending teachers of kindergarten primary and auxiliary classes.

### LOYAL CANADIANS PREPARE

### SHOW YOUR COLORS ON DOMINION DAY

Make your City a City of Flags—let no home be too poor to do honor to our Natal Day. If you have not already secured a flag or flag outfit, no better time will be found than TODAY. In honor of the Canadian Nation—in honor of the valiant deeds of Canadian arms—in honor of the brave Canadian citizen soldiers who with incentive for national integrity and virtue are engraving our high ideals on the scroll of history with sword and bayonet—hang out our Union Jack.

This is not a stiff muslin flag printed with ink—but is a beautiful soft cotton hunting that with ordinary care should last a lifetime. The colors are dyed in guaranteed fast colors, with canvas heading and grommets.

All enclosed in a box, in which the complete outfit may be permanently kept in compact space when not in use (size box, 24 inches square by 3 feet long). The complete \$4 Outfit, \$1.48. The flag alone, \$1.10.

### Presented BY THE TORONTO WORLD

### INSPECTION PARADE OF EAST END T. M. T. A.

Marched Thru Suburbs Headed by Band of Frankland School Corps.

A notable event in the east end of the city last night was the first march out of the eastern corps of the Toronto Military Association, 300 strong, under command of A. J. Smith, from Frankland school around the Danforth and other northern districts.

The corps comprised the Frankland, Bolton avenue, Morse street, Leslie street, Duke of Connaught, Earl Grey and Park divisions, and the fine appearance of the men, coupled with their military bearing, were most favorably commented upon.

March Past. The salute and march past was received by Dr. E. A. McDonald, president of all the city corps of the Training Association and A. G. Smith. The men were headed by the fine band of the Frankland corps and the torch bearers. In all there are 44 different corps in the city, with an enrollment of 8,500 members.

On Friday evening next the united corps will meet at Bolton street school and parade thru the Bolton and Morse street districts, and the Friday following the Leppard and Connaught districts. They expect shortly to have shooting privileges on the Don Valley, while the west end corps will probably have similar privileges at Long Branch.

### WESTON SOCIETY HELD JUNE FLOWER SHOW

Splendid Display of Peonies, Iris and Columbine in Town-Hall Last Night.

An excellent display of peonies, iris and columbine was shown last night in the Weston Town Hall, under the auspices of the local Horticultural Society.
