LETTER CARRIERS  
NEEDING UNIFORMS

Toronto Association Members  
Badly Off for Tunics Since  
Factory Burned.

## DELEGATES APPOINTED

Annual Reports Read and  
Much Business Transacted  
at Meeting.

Nominations were in order at last  
evening's session of the Toronto Let-  
ter Carriers' Association for delegates  
to the Federated Convention of Letter  
Carriers which will be held next Sep-  
tember in Hamilton, and the follow-  
ing men were nominated: Messrs.  
Weatherbee, Loan, Cox, Cuthbertson,  
Ovill, Max Wellman, Alec McMor-  
die, Reeves, Smith, Simmonds, Secord,  
North, Bridge, Crocker, Green and  
Dodd. Seven of these will be elected  
at the next session of the Toronto  
branch.

Master of Ceremonies Robt. Dryden  
of the association has donated the uni-  
form and was congratulated by the  
Federal Secretary McMordie in a  
letter drew attention to the needs of  
the letter carriers in the devastated  
City of Halifax. Three letter carriers  
there had been killed outright, nine  
had been wounded, several had lost  
their families and their homes, and  
all of them had suffered loss of one  
sort or another. Secretary McMordie  
asked for a subscription on their be-  
half. The branch subscribed \$196.50.  
A concert is in view for next month.

The auditor's report showed a credit  
balance of \$295.18 and a membership  
of 387 men up to December 31, 1917.  
The secretary's report showed that  
three members had been killed in ac-  
tion last year and 47 were now over-  
seas.

Secretary R. H. Cox in his annual  
report referred feelingly to the griev-  
ances of the letter carriers regarding  
salaries, which had not increased in  
equal ratio to the increase in living  
expenses. He expressed the opinion  
that those in authority were so sur-  
rounded by the comforts of life as to  
be perhaps partially oblivious of the  
wants of their less fortunate  
brothers. However, he hoped that  
the government would in course of  
time see to it that wages were pro-  
portionately increased. During the  
year 45 new members were admitted  
into the association.

**Need Winter Uniforms.**  
The problem of winter uniforms  
came up for discussion a number of  
the men having waited weeks. The  
government factory had been burned  
down months ago, but some of the  
men were so situated that pretty  
soon they would have no tunics. Per-  
haps the government would move  
more quickly if these men were forced  
to go on their rounds minus their  
tunics. The superintendent is to be  
approached in regard to the matter.

The following officers were instal-  
led: president, J. Cuthbertson; vice-  
president, Max Wellman; secretary,  
R. H. Cox; treasurer, R. H. Cox;  
financial secretary, R. Secord; ser-  
geant-at-arms, Wm. Pyatt.

**BOTH ARE ARRESTED.**  
Woman Charges Man With Theft and  
Faces Vagrancy Charge.

Charged with the theft of a sum of  
money from Agnes Sheen, Nick Cor-  
pouschuk, 734 Richmond street, was  
taken into custody yesterday by  
Policeman Thompson. The woman  
was also arrested on the blanket  
charge of vagrancy.

According to the police Corpor-  
chuk took the woman to the above  
address and while she was there he  
relieved her of a sum of money. The  
woman laid a complaint, and after  
an investigation by the policeman,  
both were arrested.

**EARLSCOURT RESIDENT DEAD.**  
J. Chamberlain Was Well Known in  
Northwest District.

The death occurred yesterday after-  
noon of J. Chamberlain at his resi-  
dence, Ascot avenue, a well known re-  
sident of the Earls Court district, in  
his 74th year.

The late Mr. Chamberlain, who was  
a widower, was a prominent member  
of Central Methodist Church, and is  
survived by one son.

**ARRESTED FOR THEFT.**  
Elizabeth McCarnegh, no address, was  
arrested yesterday afternoon by De-  
tective Corcoran on a charge of theft  
of two silk waists from the E. Eaton  
Company. She will appear in the  
women's court this morning.

BE PRETTY! TURN  
GRAY HAIR DARK

Try Grandmother's Old Favorite  
Recipe of Sage Tea and  
Sulphur.

Almost everyone knows that Sage  
Tea and Sulphur, properly compound-  
ed, brings back the natural color and  
lustre to the hair when faded, streak-  
ed or gray. Years ago the only way  
to get this mixture was to make it  
at home, which is messy and trouble-  
some. Nowadays, by asking at any  
drug store for "Weyth's Sage and  
Sulphur Compound," you will get a  
large bottle of this famous old re-  
cipe, improved by the addition of  
other ingredients at a small cost.

Don't say gray! Try it! No one  
can possibly tell that you darkened  
your hair, as it does it so naturally  
and evenly. You dampen a sponge or  
soft brush with it and draw this  
through your hair, taking one small  
strand at a time, by working—  
gray hair disappears, and after au-  
thor application or two, your hair  
becomes beautifully dark, glossy and  
attractive.

Weyth's Sage and Sulphur Com-  
pound is a delightful toilet requisite  
for those who desire dark hair and  
a youthful appearance. It is not in-  
tended for the cure, mitigation or  
prevention of disease.

MONTREAL WOMEN AIM  
AT FOOD CONSERVATION

Card Distribution Among House-  
holders to Seek Economy in  
Consumption.

Montreal, Jan. 18.—Food conserva-  
tion was discussed at a mass meet-  
ing held in Windsor Hall this after-  
noon under the auspices of the Cana-  
dian Women's Club, presided over  
by Mrs. Arthur Drummond. An  
outline of the volunteer organization,  
under the direction of the women's  
food economy committee, which is to  
distribute cards among the house-  
holds of Montreal, beginning Jan. 21,  
with a view to enlisting the aid of  
every housekeeper in the campaign to  
"save food," was given by Mrs. F. A.  
Henderson. T. B. McAulay, Domini-  
on chairman of the national commit-  
tee on food resources, who said the  
war would, to a great extent, be de-  
cided in the kitchens and dining  
rooms of the allies, explained that it  
was not feasible to fix maximum  
prices for foodstuffs. The British  
government had taken the other  
course and fixed minimum prices.  
"Limit profits and get after the  
middleman," was Mr. Maculay's  
idea of the proper thing to do.

MEN OF THE NORTH  
ARE BEING CALLED

Military Service Act Draft is  
Again in Operation  
After Holiday.

Calling up men under the draft act  
to begin active service training was  
resumed at Exhibition Camp yester-  
day after a lull of about a week. The  
men reporting were all from New Com-  
pany. They will train in B Company  
of the 2nd Battalion, 1st Central Onta-  
rio Regiment. The first of the  
men of the north to be enrolled  
Ernest Fitcher, a lumberman from  
Byng Inlet.

By consent of the King, the ribbon  
of the Canadian Red Cross, which has  
been changed. The new ribbon is  
crimson. It has white edges and a  
white line down the centre.

The names of 59 members of the  
1st Depot Battalion, 1st Central Onta-  
rio Regiment, Exhibition Camp, are  
posted as being transferred to the 2nd  
Quebec Regiment. This announcement  
is in line with the order published a  
few days ago which stated that  
French Canadian drafted to the colors  
in Toronto under the Military Service  
Act would have the privilege of re-  
ceiving their training in the Province  
of Quebec.

The Royal Red Cross was presented  
yesterday to Nursing Sister Pauline A.  
Ivy at military headquarters for her  
good work at the front. She has mar-  
ried a soldier coming from overseas and  
is now the wife of Major D. E. Robert-  
son of the Davisville Orthopaedic Hos-  
pital.

**Twenty-one Accepted.**  
Twenty-one of the 61 recruits offering  
yesterday at the Toronto Mobilization  
Centre were accepted. They were al-  
located as follows: Ontario, 10; Onta-  
rio Regiment, 13; Canadian Engineers, 3;  
Hospital Commission Medical Corps,  
Military Police, No. 2, C. O. C. and  
University of Toronto Company, each  
one.

The Canadian Engineers have issued  
a call for recruits for service in Can-  
ada, at Stanley Barracks. Carpenters,  
plumbers, steamfitters, tinsmiths and  
electricians are among the tradesmen  
required. Men unable to qualify for  
overseas service and those above mili-  
tary age are asked to join.

Major Geo. F. Gabriel (36th Regt.),  
late 5th Reserve Battalion, has re-  
turned to the front as company com-  
mander in the 2nd Battalion, 1st Cen-  
tral Ontario Regiment.

PAULIST CHORISTERS  
SUPPLY RARE TREAT

Organization Known to Two Conti-  
nents Pleases Audience at Massey  
Hall Last Night.

Worthy of place with the finest  
musical organizations which Toronto  
has been privileged to hear are the  
famous Paulist Choristers, who ap-  
peared at Massey Hall last night un-  
der the direction of their talented di-  
rector, Rev. Wm. J. Finn. The or-  
ganization, which is known to two  
continents, in each of which it has  
won the highest encomiums, and the  
winner of the much-coveted prize at  
the musical congress of Paris, gained  
fresh laurels last night when it sang  
to an insatiable audience, which ap-  
plauded again and again the presenta-  
tion of every number of the well-ar-  
ranged program.

The opening selection, "Emite  
Spiritus Tuum," by Schuetky, was  
sung by Capella, the unaccompanied  
voices coming out in clear tones rare-  
ly heard outside our own Mendelssohn,  
the soprano notes being of the purest  
quality and the climaxes and beau-  
tiful descenderos surprisingly beau-  
tiful. Where every number was given  
with the finest musicianship it is hard  
to particularize, but among the fa-  
vorites were "Praise the Lord from  
Heaven," by Rachmaninoff, the ori-  
ginal rhythm being most attractive;  
"Hodie Mecum Erit in Paradiso," with  
Messrs. Egan and Dunford as the solo-  
ists; the "Alleluia," by Father Finn,  
in which the voices of the sopranos  
attained some of their happiest work,  
and "The Day of Judgment," the most  
dramatic number on the program.

Master Probst was recalled for his  
sweet presentation of the old English  
carol, "I Saw a Ship a-Sailing," and  
the surprise of the evening when  
his flute-like and marvelously sus-  
tained notes were heard in "The Mock-  
ing Bird," arranged by Father Finn.  
Mr. Dunford was recalled four times,  
his first number being "On the Road  
to Mandalay," which he sang with re-  
fined taste, giving "Drink to Me Only  
With Thine Eyes" as an encore, the  
chorus giving a humming accompani-  
ment. Miss Mary Anderson was the  
sympathetic pianist.

The audience was one of the best of  
the season. His excellency the gov-  
ernor-general will be at the second  
concert, which will be given tonight.  
The choir was brought to Toronto by  
the Newman Club, and the proceeds  
go to the Navy League of Canada.  
The members of the choir appear in  
the uniform of the French hussars,  
and a feature of their program was  
their splendid interpretation of the  
national anthem of France, which  
they sang with their hands to the ac-  
cords of the "Star Spangled Banner,"  
and the British national anthem, with  
which they began and closed the pro-  
gram.

MONTHLY WORKERS  
ARE THE INFANTRY

Fifty Thousand Club Hold  
Annual Meeting and  
Hear Reports.

## PLEDGES ARE KEPT

Life in France Changes a  
Boy to a Man by  
Thought.

"I would rather take part in this  
campaign than go to Florida," said  
Col. Dinick at the annual meeting  
of the 50,000 Club last night. "I  
would be fed up doing nothing in the  
south, out here this war spells 'ser-  
vice.' A campaign like this one, puts  
the zest into life—gives the tonic, the  
stimulant that makes a man out of  
what prohibition has taken away."  
Bert H. McCreath, the president of  
the club, gave a report of the money  
collected in 1917 and the expendi-  
tures. He showed that the officers of  
the club, elected by the public at the  
sixth public meeting held, were in  
office for the duration of the war, "al-  
tho if anyone wants our job, they  
are welcome," he said. The expenses  
were only two per cent. of the amount  
collected. Most of the work now was  
by volunteers. The disbursement was  
in the hands of the patriotic fund,  
no one of the 50,000 Club executive  
having any power to issue any cheque  
for the club's money.

**Must Fulfill Pledges.**  
Kenneth J. Dunstan, president of  
the Canadian Red Cross, spoke very  
highly of the work of the 50,000 Club.  
"There is only one thing worth liv-  
ing for," he said, "and that is the good  
of humanity. And it is worth dying  
for, too, as proved by the thousands  
of boys who have done it. What is  
our duty to these men and to their  
dependents? We must fulfil our  
pledges to them." He spoke of the  
work of the Red Cross, the medical  
skill, the loving care and devotion  
shown to the boys when wounded.  
"Would anyone in Toronto jeopardize  
one life at the front for the sake of  
a few paltry dollars?" he asked.

Mrs. Plumptre, president of the  
women's committee, spoke briefly on  
the work the women were doing. She  
said the great army of women, who  
were doing the work of the men, were  
the backbone of the nation. "We  
must fulfil our pledges to them," she  
said. "We must fulfil our pledges to  
the men who are at the front for the  
sake of a few paltry dollars."

**Returned Men Will Help.**  
Major G. A. Sampson of the G.W.  
V.A. said the returned men were with  
the campaign to a man. "We took  
you at your word when we went  
away," he said, "and now we are  
going to respectfully remind you of  
your pledges. Unless it is prevented by a  
propaganda of Christian ideas." The  
situation which made such a war pos-  
sible has been created by the awak-  
ening of the spirit to commercial  
ideas. "Commercial competition in  
the past has been the most fruitful  
source of war," the speaker said.

**Appalling Scenes in Halifax.**  
Rev. Dr. S. D. Chown, who has re-  
cently returned from Halifax, re-  
ported that the scenes in that city  
were appalling. As a first step in the  
relief of the suffering, a delegation  
passed thru 108 shanty towns and vil-  
lages in the devastated area, but it  
was found that the situation was  
even more appalling. "Half the  
human race is in the street," said  
Mr. Chown, "and is only represented in  
the present struggle by a small propo-  
tion of men. I can imagine a war fifty  
years from now, with a hundred mil-  
lion soldiers engaged in a deadly com-  
bat, unless it is prevented by a pro-  
paganda of Christian ideas."

The situation which made such a war pos-  
sible has been created by the awak-  
ening of the spirit to commercial  
ideas. "Commercial competition in  
the past has been the most fruitful  
source of war," the speaker said.

## LORD STANLEY LODGE

The annual audit and installation  
of the Lord Stanley Lodge, M. U.  
6858, I.O.O.F., was held in the  
S. O. E. Hall. The sick fund shows  
an increase, and \$1600 was invested  
in war savings certificates. During  
the year, 100 members, 100 have  
enlisted, 100 meeting death in  
action. Two won the Military Medal.

## FELL BENEATH TRAIN.

Special to The Toronto World.  
Kitchener, Jan. 18.—William Ella, 32,  
of Stratford, who fell beneath the  
wheels of a freight train at Petersburg  
last night, died at the Kitchener War-  
rior Hospital here this morning. Ella  
was a brakeman on the Grand Trunk  
and resided in Stratford, where he has  
a wife and six small children.

"TIZ" FOR TIRED  
AND SORE FEET

Use "Tiz" for Puffed-Up, Burn-  
ing, Aching, Calloused Feet  
and Corns.

Why go limping around with ach-  
ing, puffed-up feet—feet so tired,  
chafed, sore and swollen you can  
hardly get your shoes on or off? Why  
don't you get a 5-cent box of "Tiz"  
from the drug store now and gladden  
your tortured feet?

"Tiz" makes your feet glow with  
comfort; it draws down swellings,  
draws the soreness and misery right  
out of feet that chafe, smart and burn.  
"Tiz" instantly stops pain in corns,  
calluses and bunions. "Tiz" is glori-  
ous for tired, aching, sore feet. No  
more shoe tightness—no more foot  
troubles.

FRIENDLESS SOLDIERS  
ARE GIVEN GOOD HOME

Mrs. Isabella Miller Gives Over Fur-  
nishings to House at Perth to Sol-  
diers' Aid Commission.

At the meeting of the soldiers' aid  
commission yesterday the chairman,  
the Hon. W. D. McPherson, K.C.,  
M. L. A., announced that a house  
with 25 rooms, furnished completely  
in the very best of style, had been  
left to the commission to be used for  
the benefit of soldiers and their de-  
pendents, and that he was now in  
communication with the military hos-  
pitals commission for the purpose of  
arranging that the house and grounds  
might be used, if required, for dis-  
abled soldiers who had no relatives  
or friends to care for them. The  
house and grounds were left by Mrs.  
Isabella Miller, and are located in  
Perth, Ont.

Reports presented to the commis-  
sion showed that up to date 14,026  
soldiers had returned to Canada. Of  
this number 834 were receiving voca-  
tional training. It was reported  
that nearly 600 applications had been  
received from discharged soldiers  
who desire to take advantage of the  
government scheme for the settlement  
of returned soldiers and sailors in  
northern Ontario.

Those present were: J. B. Laidlaw,  
Toronto; Hon. Geo. Gordon;  
North Bay; W. L. Best, Ottawa;  
A. G. Cameron, Ottawa; Major R. J.  
Christie, Toronto; K. W. McKay, St.  
Thomas; W. Banks, Toronto; J.  
Warwick, secretary, Toronto; W. W.  
Nichol, superintendent returned sol-  
diers' education.

FORESEES DEADLY  
WAR WITH ORIENT

Commercializing of Eastern  
Nations May Bring on  
Another Struggle.

The relation of Christianity to the  
great war was the theme of an ad-  
dress delivered before the 1200 mem-  
bers of the Methodist laymen's co-  
operating committee last night, by J.  
Campbell White of Worcester, Mass.  
Mr. White, who is a former secretary  
of the laymen's missionary movement  
for Canada and the United States, is  
in Toronto in the interests of the mis-  
sionary campaign of the Methodist  
church.

Mr. White foretold another great  
war with the yellow races of the orient,  
which could only be forestalled by the  
influence of Christianity. "Half the  
human race is in the street," said  
Mr. White, "and is only represented in  
the present struggle by a small propo-  
tion of men. I can imagine a war fifty  
years from now, with a hundred mil-  
lion soldiers engaged in a deadly com-  
bat, unless it is prevented by a pro-  
paganda of Christian ideas."

The situation which made such a war pos-  
sible has been created by the awak-  
ening of the spirit to commercial  
ideas. "Commercial competition in  
the past has been the most fruitful  
source of war," the speaker said.

At the head table were representa-  
tives of the other churches. The fol-  
lowing were among them: Rev. Dr. T.  
last night, died at the Kitchener War-  
rior Hospital here this morning. Ella  
was a brakeman on the Grand Trunk  
and resided in Stratford, where he has  
a wife and six small children.

Swiss Society, Again the  
Choice.

At a meeting of the Toronto Swiss  
Society held in Occident Hall last  
night Prof. J. Cusin was elected pre-  
sident for the third time. Prof. Cusin,  
who is also president of the Swiss Red  
Cross, was recently proposed as  
Swiss consul for Ontario to suc-  
ceed the late Remy Burger. The  
consuls of France, Belgium, Spain,  
Cuba, Panama, and the vice-con-  
sul of Italy unanimously endorsed  
his election.

Prof. J. Cusin  
which was also backed up by the  
mayor and prominent men thruout  
the province.

Other officers of the Toronto Swiss  
Society elected last night were: Vice-  
president, F. Adam; secretary, H.  
Brasseler; treasurer, A. Plotron; con-  
trollers, H. Perrin, F. Moor; assistant,  
A. Imber.

## WALMER ROAD CHURCH.

Baptists Have Encouraging Year's  
Work, as Reports Show.

The Walmer Road Baptist Church  
held its annual business meeting on  
the evening of Jan. 17, when it was  
found that the annual reports were  
full of encouragement, the amount  
raised during the year being \$11-  
594.01, of which \$19,198.84 was con-  
tributed to missions. The number of  
members to date were 222, of which  
22 had been killed.

Rev. John MacNeill, pastor of the  
church, has been in France nearly a  
year. The pulpit has been supplied  
by Rev. Dr. Waldo Paterson, N.J. For  
three months, beginning February.  
Rev. Dr. R. S. MacArthur of New  
York will officiate.

## ST. THOMAS WOMAN DEAD.

St. Thomas, Jan. 18.—Mrs. Brick-  
enden, wife of F. S. Brickenden, real  
estate dealer in this city died today  
after a brief illness. The deceased  
lady was a resident of Toronto until  
she came to St. Thomas with her  
family five years ago. Her husband,  
six sons and two daughters survive.

WOMEN ARE READY  
FOR BIG CAMPAIGN

Organization Completed and  
Workers Are Optimistic  
of Result.

## TWENTY DISTRICTS

All Trains Will Be Boarded  
as They Enter Toronto  
Stations.

Further advance was made in mat-  
ters pertaining to the part women  
are to take in the coming Patriotic  
and Red Cross campaign, when a  
conference between Mrs. Plumptre,  
the president of the women's commit-  
tees; Miss Georgette Brock, the sec-  
retary; and the women of the press  
was held yesterday afternoon. All  
present were very optimistic as to  
results and many helpful suggestions  
were given.

The patriotic spirit of the com-  
pany ran high when someone recalled  
that "our flag" is designed from the  
three crosses of St. George, St. An-  
drew and St. Patrick, and in this  
connection the selection of three days  
was considered to have been most  
propitious. Some inspiring verses,  
which have been copyrighted, but  
which were sent by the author, Chas.  
J. North of Buffalo, with permission  
to use them during the campaign,  
were read by Mrs. Plumptre.

It was announced that Mrs. Wil-  
loughby Cummings will be conven-  
ing of the committee that will visit  
the civil hospitals and Mrs. H. D.  
Warren will have charge of the com-  
mittee to visit the military hospitals  
and convalescent homes. Permission  
has been given to board the trains  
as they come into the railway sta-  
tions, and the Salvation Army Cadets,  
under Major (Miss) Debrisay, have  
undertaken this part of the work.

Miss A. M. Brown, with the central  
nursing division of the St. John Am-  
bulance Corps, will call upon the  
guests in the hotels.

The city will be divided into 20 dis-  
tricts in addition to the schools,  
which will be looked after by a spe-  
cial committee, of which Mrs. Van  
Koughnet and Miss Marie Macdonnell  
are conveners. The S.O.S. committee,  
which will be under the conven-  
ership of Lady Hearst, will be very  
busy one, as they have to keep in  
touch with all the sub-divisions and  
be ready to meet all emergencies.

For the guidance of all concerned,  
Mrs. Plumptre announced that the  
police had given no permit for any-  
thing to be sold on the streets. "The  
women feel that they have a big con-  
tract on hand—the biggest yet in the  
matter of collecting their objective  
being half a million, a sixth of the  
general amount for which the cam-  
paign is pledged. Enthusiasm, how-  
ever, is high, arrangements never  
before complete as early as they  
are on this occasion. To duplicate  
effort, enthusiasm and money is the  
endeavor upon which all are concen-  
trated. As a first step in the relief  
of the suffering, a delegation, consisting  
of Mrs. Plumptre and Lady Eaton, call-  
ed upon the mayor and the board of  
control yesterday afternoon in the  
hope of influencing the council to  
double the civic subscription of last  
year.

The telephone, which it is hoped  
will be kept busy during the coming  
week by those interested in the work  
of helping the desperate war victims  
who are on busy watch in the tren-  
ches, is Adelaide 6000.

## CHURCH MILITARY COMMITTEE

Will Keep in Touch With Boys on  
Active Service.

North Parkdale Methodist Church  
now has the splendid record of one  
hundred and seventy-five names on  
its honor roll.

As it is becoming increasingly  
difficult to keep in personal touch  
with these members it has been found  
advisable to form a military commit-  
tee who will have the interests es-  
pecially at heart. The committee will  
try to keep the boys posted on every-  
thing of interest that happens in  
the church and will keep in touch  
with their families so that they are  
being constantly thought about and  
planned for and they will  
be quite as familiar with what is  
happening as they would if they were  
active members of the church.

The members of the committee will  
each be allotted a special district  
which will be decided at a future  
meeting.

Peel Off the Old Skin;  
Bring Out the New

You know that beneath that muddy,  
over-red or blotchy complexion you have  
in skin that's clear, soft and white. If you  
could only have this more beautiful skin  
exposed to view instead of the horrid
