"Hearts of the World."

D. W. Griffith's latest film production, "Hearts of the World," which has been playing to capacity houses at the Allen Theatre during the past three weeks, will close its record run next Friday. The showing of this mar-velous cinema this week will enable thousands who were unable to witness it heretofore to see it before it goes on tour thruout Canada. Mr. Griffith, during his 18 months in Mr. Griffith, during his 18 months in France making this production, was able to secure scenes which take the spectator right up to the front line trenches, and one imagines himself right in the very midst of the fighting. With the hand of a skilled artist, Mr. Griffith has painted war as it really is. D. W. Griffith shows that this war must be the last and every person has to help make victory assured for liberty, justice and humanity.
