Youth and age will be represented. There is no limit on the age, and so once again there will be a man in it who will have turned 50, Peter Foley of Medford, Mass.

The men that finish in the first divi-sion this year will be given more cost-ly prizes than were awarded in pre-vious races. The winner will be given a handšome bronze Mercury statue and there will be a number of other pieces of bronze and silver for other finishers, in addition to the medals that are mended each year.

Getting Into Shape. Getting into shape for the run is not an easy task. Many methods are tried by various athletes only to find on the day of the race that their training avail-

One of the veterans of long-distance

One of the veterans of long-distance running was asked about the methods of training to be successful, and he spoke as follows: "No young fellow should undertake to run such a gruelling race until he had thoroly conditioned him-self for it by accustoming n'mself to the rigors of conscientious training. "He has first to deprive himself of the luxuries of life and learn what real hardship it. And by this I mean he

San Francisco a Year After. San Francisco, with its wonderful growth of the last twelve months, in the brilliant sunshine of a glorious Californian spring, is not the least attraction of a Pacific coast trip. The Shriners' convention at Los Angeles will attract many. But to the many more, the people who wisely count the cost and appreciate a bargain, the Canadian Pacific Railway's special excursion rates offer even a greater at-traction. Tickets from Toronto to San Francisco and Los Angeles and return are on sale at low rates, good going April 27 to May 2 only, return limit July 31. Full information at all
